Section 4. Authorization and Terms of the Bonds.

(a) For the purpose of providing funds to refund all or a portion of the Outstanding Bonds and pay the costs incident to the issuance and sale of the Bonds, as more fully set forth in Section 9 hereof, there are hereby authorized to be issued bonds, in one or more series, of the County in an aggregate principal amount sufficient to pay the principal of and interest on the Refunded Bonds of approximately \$2,275,000 and pay costs of issuance of the Bonds. The Bonds shall be issued in fully registered, book-entry only form (except as otherwise permitted herein), without coupons, shall be issued in one or more series, shall be known as “General Obligation School Refunding Bonds” and shall have such series designation and dated

date as shall be determined by the County Mayor pursuant to Section 8 hereof. The rate or rates on the Bonds shall not exceed the maximum interest rate permitted by applicable law at the time of the sale of the Bonds, or any series thereof. Subject to the adjustments permitted pursuant to Section 8 hereof, interest on the Bonds shall be payable semi-annually on May 1 and November 1 in each year, commencing May 1, 2017. The Bonds shall be issued initially in \$5,000 denominations or integral multiples thereof, as shall be requested by the original purchaser, and, subject to adjustment as permitted by Section 8 hereof, shall mature, either serially or through mandatory redemption on May 1 of each year, subject to prior optional redemption as hereinafter provided, either serially or through mandatory redemption, in the years 2017 through 2026, inclusive. Attached hereto as Exhibit C is a preliminary debt service estimate of the amortization of the Bonds; provided, however, such amortization may be adjusted in accordance with Section 8 hereof.

(b) Subject to adjustments permitted in Section 8 hereof, Bonds maturing on or before May 1, 2021 shall mature without option of prior redemption and Bonds maturing May 1, 2022 and thereafter, shall be subject to redemption prior to maturity at the option of the County on May 1, 2021 and thereafter, as a whole or in part at any time at the redemption price of par plus accrued interest to the redemption date.

If less than all of the Bonds within a single maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

(c) Pursuant to Section 8 hereof, the County Mayor is authorized to sell the Bonds, or any maturities thereof, as term bonds ("Term Bonds") with mandatory redemption requirements corresponding to the maturities set forth herein or as determined by the County Mayor. In the event any or all the Bonds are sold as Term Bonds, the County shall redeem Term Bonds on redemption dates corresponding to the maturity dates set forth in Exhibit B, in aggregate principal amounts equal to the maturity amounts established pursuant to Section 8 hereof for each redemption date, as such maturity amounts may be adjusted pursuant to Section 8 hereof, at a price of par plus accrued interest thereon to the date of redemption. The Term Bonds to be redeemed within a single maturity shall be selected in the manner described in subsection (b) above.

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such mandatory redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

(d) Notice of call for redemption, whether optional or mandatory, shall be given by the Registration Agent on behalf of the County not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Bonds for which proper notice was given. An optional redemption notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of

redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant or Beneficial Owner will not affect the validity of such redemption. The Registration Agent shall mail said notices as and when directed by the County pursuant to written instructions from an authorized representative of the County (other than for a mandatory sinking fund redemption, notices of which shall be given on the dates provided herein) given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be satisfactory to the Registration Agent). From and after the redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth herein. In the case of a Conditional Redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.

(e) The County Mayor is hereby authorized and directed to appoint the Registration Agent for the Bonds and the Registration Agent so appointed is authorized and directed to maintain Bond registration records with respect to the Bonds, to authenticate and deliver the Bonds as provided herein, either at original issuance or upon transfer, to effect transfers of the Bonds, to give all notices of redemption as required herein, to make all payments of principal and interest with respect to the Bonds as provided herein, to cancel and destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer, to furnish the County at least annually a certificate of destruction with respect to Bonds canceled and destroyed, and to furnish the County at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds. The County Mayor is hereby authorized to execute and the County Clerk is hereby authorized to attest such written agreement between the County and the Registration Agent as they shall deem necessary and proper with respect to the obligations, duties and rights of the Registration Agent. The payment of all reasonable fees and expenses of the Registration Agent for the discharge of its duties and obligations hereunder or under any such agreement is hereby authorized and directed.

(f) The Bonds shall be payable, both principal and interest, in lawful money of the United States of America at the designated corporate trust office of the Registration Agent. The Registration Agent shall make all interest payments with respect to the Bonds by check or draft on each interest payment date directly to the registered owners as shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by depositing said payment in the United States mail, postage prepaid, addressed to such owners at their addresses shown on said Bond registration records, without, except for final payment, the presentation or surrender of such registered Bonds, and all such payments shall discharge the obligations of the County in respect of such Bonds to the extent of the payments so made. Payment of principal of and premium, if any, on the Bonds shall be made upon presentation and surrender of such Bonds to the Registration Agent as the same shall become due and payable. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each. In the event the Bonds are no longer registered in the name of DTC, or a successor Depository, if requested by the Owner of at least \$1,000,000 in aggregate principal amount of the Bonds, payment of interest on such Bonds shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Registration Agent and written notice of any such election and designated account is given to the Registration Agent prior to the record date.

(g) Any interest on any Bond that is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the County to the persons in whose names the Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: the County shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the County shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which Date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered owners. The Registration Agent shall promptly notify the County of such Special Record Date and, in the name and at the expense of the County, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in this Section or in the Bonds shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the County to

punctually pay or duly provide for the payment of principal of, premium, if any, and interest on the Bonds when due.

(h) The Bonds are transferable only by presentation to the Registration Agent by the registered owner, or his legal representative duly authorized in writing, of the registered Bond(s) to be transferred with the form of assignment on the reverse side thereof completed in full and signed with the name of the registered owner as it appears upon the face of the Bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Bond(s) in such form and with such documentation, if any, the Registration Agent shall issue a new Bond or the Bond to the assignee(s) in \$5,000 denominations, or integral multiples thereof, as requested by the registered owner requesting transfer. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the publication of notice calling such Bond for redemption has been made, nor to transfer or exchange any Bond during the period following the receipt of instructions from the County to call such Bond for redemption; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bonds shall be overdue. The Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in any authorized denomination or denominations.

(i) The Bonds shall be executed in such manner as may be prescribed by applicable law, in the name, and on behalf, of the County with the manual or facsimile signature of the County Mayor and with the official seal, or a facsimile thereof, of the County impressed or imprinted thereon and attested by the manual or facsimile signature of the County Clerk.

(j) Except as otherwise provided in Section 8 hereof, the Bonds shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds. References in this Section to a Bond or the Bonds shall be construed to mean the Bond or the Bonds that are held under the Book-Entry System. One Bond for each maturity shall be issued to DTC and immobilized in its custody. A Book-Entry System shall be employed, evidencing ownership of the Bonds in authorized denominations, with transfers of beneficial ownership affected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Bonds. Beneficial ownership interests in the Bonds may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners shall not receive the Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Bonds. Transfers of ownership interests in the Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. **SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE BONDS, THE REGISTRATION AGENT SHALL TREAT CEDE & CO., AS THE ONLY HOLDER OF THE BONDS FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE REGISTRATION AGENT TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS RESOLUTION.**

Payments of principal, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid by the Registration Agent directly to DTC or its nominee, Cede & Co. as provided in the Letter of Representation relating to the Bonds from the County and the Registration Agent to DTC (the "Letter of Representation"). DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. The County and the Registration Agent shall not be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the County determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect their interests or the interests of the Beneficial Owners of the Bonds, the County shall discontinue the Book-Entry System with DTC. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner.

THE COUNTY AND THE REGISTRATION AGENT SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DTC PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE BONDS; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS, (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS OWNER.

(k) The Registration Agent is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Bonds for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC (or any of its designees identified to the Registration Agent) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the owners of the Bonds, provided, however, that the Registration Agent shall not be liable with respect to any such arrangements it may make pursuant to this section.

(l) The Registration Agent is hereby authorized to authenticate and deliver the Bonds to the original purchaser, upon receipt by the County of the proceeds of the sale thereof and to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the Bond(s) to be transferred in proper form with proper documentation as hereinabove described. The Bonds shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an officer thereof on the certificate set forth herein on the Bond form.

(m) In case any Bond shall become mutilated, or be lost, stolen, or destroyed, the County, in its discretion, shall issue, and the Registration Agent, upon written direction from the County, shall authenticate and deliver, a new Bond of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Bond, or in lieu of and in substitution for such lost, stolen or destroyed Bond, or if any such Bond shall have matured or shall be about to mature, instead of issuing a substituted Bond the County may pay or authorize payment of such Bond without surrender thereof. In every case the applicant shall furnish evidence satisfactory to the County and the Registration Agent of the destruction, theft or loss of such Bond, and indemnity satisfactory to the County and the Registration Agent; and the County may charge the applicant for the issue of such new Bond an amount sufficient to reimburse the County for the expense incurred by it in the issue thereof.

Section 5. Source of Payment. The Bonds shall be payable from and secured by unlimited ad valorem taxes to be levied on all taxable property within the County. The Bonds shall be additionally payable from School Board Sales Tax Revenues which are hereby pledged to the payment of principal of, premium, if any, and interest on the Bonds, subject to the prior pledge of such School Board Sales Tax Revenues, in favor of the Prior Lien Bonds.

Section 6. Form of Bonds. The Bonds shall be in substantially the following form, the omissions to be appropriately completed when the Bonds are prepared and delivered:

Any such interest not so punctually paid or duly provided for on any interest payment date shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on the date (the "Special Record Date") for payment of such defaulted interest to be fixed by the Registration Agent, notice of which shall be given to the owners of the Bonds of the issue of which this Bond is one not less than ten (10) days prior to such Special Record Date. Payments of principal and interest [and redemption premium, if any,] with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid directly to DTC or its nominee, Cede & Co. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners, as defined in the Resolution. Neither the County nor the Registration Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants. In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the County determines that the continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect its interests or the interests of the Beneficial Owners of the Bonds, the County may discontinue the book-entry system with DTC. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner. If less than all the principal amount of the Bonds of a maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

[Subject to the credit hereinafter provided, the County shall redeem Bonds maturing _____ on the redemption dates set forth below opposite the maturity dates, in aggregate principal amounts equal to the respective dollar amounts set forth below opposite the respective redemption dates at a price of par plus accrued interest thereon to the date of redemption. DTC, as securities depository for the series of Bonds of which this Bond is one, or such Person as shall then be serving as the securities depository for the Bonds, shall determine the interest of each Participant in the Bonds to be redeemed using its procedures generally in use at that time. If DTC, or another securities depository is no longer serving as securities depository for the Bonds, the Bonds to be redeemed within a maturity shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall select. The dates of redemption and principal amount of Bonds to be redeemed on said dates are as follows:

<u>Final Maturity</u>	<u>Redemption Date</u>	<u>Principal Amount of Bonds Redeemed</u>
---------------------------	----------------------------	---

*Final Maturity

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.]

Notice of call for redemption[, whether optional or mandatory,] shall be given by the Registration Agent not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption by

sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds for which proper notice was given. An optional redemption notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant will not affect the validity of such redemption. From and after any redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth in the Resolution, as hereafter defined. In the case of a Conditional Redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.]

This Bond is transferable by the registered owner hereof in person or by such owner's attorney duly authorized in writing at the designated corporate trust office of the Registration Agent set forth above, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, as hereafter defined, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds of authorized denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bond shall be overdue. Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Bond[, nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been made, nor during a period following the receipt of instructions from the County to call such Bond for redemption].

This Bond is one of a total authorized issue aggregating \$_____ and issued by the County for the purpose of providing funds to refund the County's outstanding General Obligation School Bonds, Series 2010, dated January 22, 2010, maturing May 1, 2024, May 1, 2025 and May 1, 2026 under and in full compliance with the constitution and statutes of the State of Tennessee, including Sections 9-21-101, et seq., Tennessee Code Annotated, and pursuant to a resolution duly adopted by the Board of County Commissioners of the County on November 21, 2016 (the "Resolution").

This Bond is payable from unlimited ad valorem taxes to be levied on all taxable properly located within the County. For the prompt payment of principal of[, premium, if any,] and interest on this Bond, the full faith and credit of the County are irrevocably pledged. The Bonds shall be additionally payable from School Board Sales Tax Revenues (as defined in the Resolution) which are hereby pledged to the payment of principal of, premium, if any, and interest on the Bonds, subject to the prior pledge of such School Board Sales Tax Revenues, in favor of the Prior Lien Bonds (as defined in the Resolution). For a more complete statement of the general covenants and provisions pursuant to which this Bond is issued, reference is hereby made to said Resolution.

This Bond and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) inheritance, transfer and estate taxes, (b) Tennessee excise taxes on interest on the Bond during the period the Bond is held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (c) Tennessee franchise taxes by reason of the inclusion of the book value of the Bond in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the County, does not exceed any limitation prescribed by the constitution and statutes of the State of Tennessee.

IN WITNESS WHEREOF, the County has caused this Bond to be signed by its County Mayor with his manual or facsimile signature and attested by its County Clerk with her manual or facsimile signature under an impression or facsimile of the corporate seal of the County, all as of the date hereinabove set forth.

The County, through its Governing Body, shall annually levy and collect a tax upon all taxable property within the County, in addition to all other taxes authorized by law, sufficient to pay principal of, premium, if any, and interest on the Bonds when due, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay principal and interest coming due on the Bonds in said year. Principal and interest falling due at any time when there are insufficient funds from this tax levy on hand shall be paid from the current funds of the County and reimbursement therefor shall be made out of the taxes hereby provided to be levied when the same shall have been collected. The tax herein provided may be reduced to the extent of any School Board Sales Tax Revenues pledged to the payment of the Bonds and by any other funds, taxes and revenues from the County appropriated to the debt service on the Bonds.

Section 8. Sale of Bonds.

(a) The Bonds may be offered for public sale in one or more series, at a price of not less than ninety-nine percent (99%) of par, plus accrued interest by delivery of bids via physical delivery, mail, fax, or telephone or by electronic bidding means of an Internet bidding service, as shall be determined by the County Mayor. Alternatively, at the discretion of the County Mayor and upon receipt of approval of the

State Director, the Bonds may be sold at informal bid or negotiated sale by the County Mayor, in consultation with the Financial Advisor, at a price of not less than par, plus accrued interest.

(b) If the Bonds are sold in more than one series, the County Mayor is authorized to cause to be sold in each series an aggregate principal amount of Bonds less than that shown in Section 4 hereof for each series, so long as the total aggregate principal amount of all series issued does not exceed the total aggregate of Bonds necessary to refund the Refunded Bonds.

(c) The County Mayor is further authorized with respect to each series of Bonds to:

(1) change the dated date of the Bonds or any series thereof, to a date other than the date of issuance of the Bonds;

(2) to designate the Bonds, or any series thereof, to a designation other than "General Obligation School Refunding Bonds" and to specify the series designation of the Bonds, or any series thereof;

(3) change the first interest payment date on the Bonds or any series thereof to a date other than May 1, 2017, provided that such date is not later than twelve months from the dated date of such series of Bonds;

(4) adjust the principal and interest payment dates and the maturity amounts of the Bonds, or any series thereof (including, but not limited to establishing the date and year of the first principal payment date), provided that (A) the total principal amount of all series of the Bonds does not exceed the total amount of Bonds necessary to refund the Refunded Bonds; and (B) the final maturity date of each series shall not exceed the end of the fiscal year of the final maturity of the Outstanding Bonds refunded by such series;

(5) adjust the County's optional redemption provisions of the Bonds by making the Bonds non-callable prior to maturity, or callable on such other dates and at other redemption prices, provided that the premium amount to be paid on Bonds or any series thereof does not exceed two percent (2%) of the principal amount thereof;

(6) to refinance less than all of the Outstanding Bonds to maximize the objectives of refinancing the Outstanding Bonds;

(7) sell the Bonds, or any series thereof, or any maturities thereof as Term Bonds with mandatory redemption requirements corresponding to the maturities set forth herein or as otherwise determined by the County Mayor, as he shall deem most advantageous to the County; and

(8) to cause all or a portion of the Bonds to be insured by a bond insurance policy issued by a nationally recognized bond insurance company if such insurance is requested and paid for by the winning bidder of the Bonds, or any series thereof.

(d) The County Mayor is authorized to sell the Bonds, or any series thereof, simultaneously with any other bonds or notes authorized by resolution or resolutions of the Governing Body. The County Mayor is further authorized to sell the Bonds, or any series thereof, as a single issue of bonds with any other bonds with substantially similar terms authorized by resolution or resolutions of the Governing Body, in one or more series as he shall deem to be advantageous to the County and in doing so, the County Mayor is authorized to change the designation of the Bonds to a designation other than "General Obligation School Refunding Bonds"; provided, however, that the total aggregate principal amount of combined bonds to be sold does not exceed the total aggregate principal amount of Bonds authorized by this resolution or bonds authorized by any other resolution or resolutions adopted by the Governing Body.

(e) The County Mayor is authorized to award the Bonds, or any series thereof, in each case to the bidder whose bid results in the lowest true interest cost to the County, provided the rate or rates on the Bonds do not exceed the maximum rate permitted by applicable Tennessee law at the time of the issuance of the Bonds or any series thereof. The award of the Bonds by the County Mayor to the lowest bidder shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required. If permitted in the notice of sale for the Bonds, or any series thereof: (i) the successful bidder may request that the Bonds, or any such series thereof, be issued in the form of fully registered certificated Bonds in the name of the successful bidder or as directed by the successful bidder, in lieu of registration using the Book-Entry System, and/or (ii) the successful bidder may assign its right to purchase the Bonds, or any series thereof, to a third party provided, however, that upon such assignment, the successful bidder shall remain obligated to perform all obligations relating to the purchase of the Bonds as the successful bidder, including the delivery of a good faith deposit, the execution of required documents and the payment of the purchase price, if such successful bidder's assignee does not perform any of such obligations.

(f) If the Bonds are sold at informal bid, the County Mayor is authorized to award the Bonds to the bidder whose bid results in the lowest true interest cost to the County, provided the rate or rates on the Bonds do not exceed the maximum rate permitted by applicable Tennessee law. The award of the Bonds by the County Mayor to the lowest bidder shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required. If the Bonds are sold at negotiated sale, the County Mayor is authorized to sell the Bonds to the Purchaser and execute such agreements in connection therewith that are consistent with the terms of this Resolution.

(g) The County Mayor and County Clerk are authorized to cause the Bonds to be authenticated and delivered by the Registration Agent to the successful bidder or purchaser, or as the successful bidder directs, and to execute, publish, and deliver all certificates and documents, including an official statement and closing certificates, as they shall deem necessary in connection with the sale and delivery of the Bonds. The County Mayor is hereby authorized to enter into a contract with Bass, Berry & Sims PLC to serve as bond counsel in connection with the Bonds in substantially the form presented as Exhibit E, with such changes as may be approved by the County Mayor as evidenced by his execution thereof.

(h) The form of the Bond set forth in Section 6 hereof, shall be conformed to reflect any changes made pursuant to this Section 8 hereof.

Section 9. Disposition of Bond Proceeds. The proceeds of the sale of each series of the Bonds shall be applied by the County as follows:

(a) All accrued interest, if any, shall be deposited to the appropriate fund of the County to be used to pay interest on the Bonds on the first interest payment date following delivery of the Bonds.

(b) An amount, which together with legally available funds of the County, if any, and investment earnings thereon, will be sufficient to pay principal of, premium, if any, and interest on the Refunded Bonds until and through the redemption date therefor shall be transferred to the Escrow Agent under the Refunding Escrow Agreement to be deposited to the Escrow Fund established thereunder to be held and applied as provided therein.

(c) The remainder of the proceeds of the sale of the Bonds shall be used to pay the costs of issuance of the Bonds, including necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, bond insurance premium, if any, administrative and clerical costs, rating agency fees, Registration Agent fees, and other miscellaneous expenses incurred in connection with the issuance and sale of the Bonds.

Section 10. Official Statement. The County Mayor and the Budget Director, or either of them, are hereby authorized and directed to provide for the preparation and distribution, which may include electronic distribution, of a Preliminary Official Statement describing the Bonds. After bids have been received and the Bonds have been awarded, the County Mayor and the Budget Director, or either of them, shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The County Mayor and the Budget Director, or either of them, shall arrange for the delivery to the successful bidder on the Bonds of a reasonable number of copies of the Official Statement within seven business days after the Bonds have been awarded for delivery, by the successful bidder on the Bonds, to each potential investor requesting a copy of the Official Statement and to each person to whom such bidder and members of his bidding group initially sell the Bonds.

The County Mayor and the Budget Director, or either of them, are authorized, on behalf of the County, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been deemed in final form as of its date by the County except for the omission in the Preliminary Official Statement of such pricing and other information.

If the Purchaser does not intend to reoffer the Bonds to the public as evidenced by a certificate executed by the Purchaser, then an Official Statement is authorized, but not required, as shall be determined by the County Mayor in consultation with the Financial Advisor and Bond Counsel.

Section 11. Refunding Escrow Agreement. For the purpose of providing for the payment of the principal of, premium, if any, and interest on the Refunded Bonds, the County Mayor is hereby authorized and directed to execute and the County Clerk to attest on behalf of the County the Refunding Escrow Agreement with the Escrow Agent and to deposit with the Escrow Agent the amounts to be used by the Escrow Agent to purchase Government Securities as provided therein; provided, however, that the yield on such investments shall be determined in such manner that none of the Bonds will be an "arbitrage bond"

within the meaning of Section 148 (a) of the Code. The form of the Refunding Escrow Agreement presented to this meeting and attached hereto as Exhibit D is hereby in all respects approved and the County Mayor and the County Clerk are hereby authorized and directed to execute and deliver same on behalf of the County in substantially the form thereof presented to this meeting, or with such changes as may be approved by the County Mayor and County Clerk, their execution thereof to constitute conclusive evidence of their approval of all such changes. The Escrow Agent is hereby authorized and directed to hold and administer all funds deposited in trust for the payment when due of principal of, premium, if any, and interest on the Refunded Bonds and to exercise such duties as set forth in the Refunding Escrow Agreement.

Section 12. Notice of Refunding and Notice of Redemption. Prior to the issuance of the Bonds, or any series thereof, if required, notice of the County's intention to refund the Refunded Bonds, shall be given by the registration agent for the Refunded Bonds to be mailed by first-class mail, postage prepaid, to the registered holders thereof, as of the date of the notice, as shown on the bond registration records maintained by such registration agent of said Refunded Bonds. Such notice shall be in the form consistent with applicable law. Prior to the issuance of the Bonds, or any series thereof, if required, notice of the County's intention to redeem any portion of the Refunded Bonds, shall be given by the registration agent for the Refunded Bonds to be mailed by first-class mail, postage prepaid, to the registered holders thereof, as of the date of the notice, as shown on the bond registration records maintained by such registration agent of said Refunded Bonds. Such notice shall be in the form consistent with the resolution authorizing such Refunded Bonds. The County Mayor and the County Clerk, or either of them, is hereby authorized and directed to authorize the registration agent of said Refunded Bonds to give such notices on behalf of the County in accordance with this Section.

Section 13. Tax Matters. The County recognizes that the purchasers and owners of each series of the Bonds will have accepted them on, and paid therefor a price that reflects, the understanding that interest thereon is excludable from gross income for purposes of federal income taxation under laws in force on the date of delivery of such Bonds. In this connection, the County agrees that it shall take no action which may cause the interest on any Bonds to be included in gross income for federal income taxation. It is the reasonable expectation of the Governing Body of the County that the proceeds of the Bonds will not be used in a manner which will cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and to this end the said proceeds of each series of the Bonds and other related funds established for the purposes herein set out shall be used and spent expeditiously for the purposes described herein. The Governing Body further covenants and represents that in the event it shall be required by Section 148(f) of the Code to pay any investment proceeds of the Bonds to the United States government, it will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary or permitted to prevent the interest on the Bonds from becoming taxable. The County Mayor, the County Clerk and the Budget Director, or any of them, are authorized and directed to make such certifications in this regard in connection with the sale of the Bonds as either or both shall deem appropriate, and such certifications shall constitute a representation and certification of the County. Following the issuance of the Bonds, the Budget Director is directed to administer the County's Federal Tax Compliance Policies and Procedures with respect to the Bonds.

Section 14. Discharge and Satisfaction of Bonds. If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in any one or more of the following ways, to wit:

(a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the Registration Agent, the principal of and interest on such Bonds as and when the same become due and payable;

(b) By depositing or causing to be deposited with any trust company or financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or similar federal agency and which has trust powers ("an Agent"; which Agent may be the Registration Agent) in trust or escrow, on or before the date of maturity or redemption, sufficient money or Federal Obligations, as hereafter defined, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Bonds and to pay interest thereon when due until the maturity or redemption date (provided, if such Bonds are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice);

(c) By delivering such Bonds to the Registration Agent, for cancellation by it;

and if the County shall also pay or cause to be paid all other sums payable hereunder by the County with respect to such Bonds, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Agent to pay amounts when and as required to the Registration Agent for the payment of principal of and interest on such Bonds when due, then and in that case the indebtedness evidenced by such Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the County to the holders of such Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Federal Obligations deposited as aforesaid.

Except as otherwise provided in this Section, neither Federal Obligations nor moneys deposited with the Registration Agent pursuant to this Section nor principal or interest payments on any such Federal Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and interest on said Bonds; provided that any cash received from such principal or interest payments on such Federal Obligations deposited with the Registration Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the County as received by the Registration Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Obligations maturing at times and in amounts sufficient to pay when due the principal and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the County, as received by the Registration Agent. For the purposes of this Section, Federal Obligations shall mean direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America which bonds or other obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof.

Section 15. Continuing Disclosure. The County hereby covenants and agrees that it will provide annual financial information and material event notices, if, and as required by Rule 15c2-12 of the Securities Exchange Commission for the Bonds. If required, the County Mayor is authorized to execute at the Closing of the sale of the Bonds, an agreement for the benefit of and enforceable by the owners of the Bonds specifying the details of the financial information and material event notices to be provided and its obligations relating thereto. Failure of the County to comply with the undertaking herein described and to be detailed in said closing agreement, shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the County to comply with their undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.

Section 16. Qualified Tax-Exempt Obligations. The Governing Body hereby designates the Bonds as “qualified tax-exempt obligations”, within the meaning of Section 265 of the Internal Revenue Code of 1986, as amended, if and to the extent the Bonds may be so designated and to the extent not “deemed designated”.

Section 17. Resolution a Contract. The provisions of this resolution shall constitute a contract between the County and the registered owners of the Bonds, and after the issuance of the Bonds, no change, variation or alteration of any kind in the provisions of this resolution that would adversely affect the security of the Bonds or the rights of the Bondholders shall be made in any manner until such time as the Bonds and interest due thereon shall have been paid in full.

Section 18. Separability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section 19. Repeal of Conflicting Resolutions and Effective Date. All other resolutions and orders, or parts thereof, in conflict with the provisions of this resolution are, to the extent of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.

Adopted and approved this 21st day of November, 2016.

Honorable Brent Greer, Mayor
and Honorable Board of Commissioners
Henry County
P.O. Box 7
Paris, TN 38242

Dear Mayor Greer and Members of the Board:

This letter and report, and the plan of refunding (the "Plan"), are to be posted on the website of Henry County (the "County"). Please make these documents available to the public and provide a copy of this report to each member of the Governing Body and present it at the next meeting.

This letter acknowledges receipt on November 1, 2016, of the County's request to review its Plan for the issuance of an amount not to exceed \$2,275,000 General Obligation School Refunding Bonds, Series 2016, (the "Refunding Bonds") to advance refund \$2,010,000 General Obligation School Bonds, Series 2010, (the "Refunded Bonds").

Pursuant to the provisions of Tennessee Code Annotated Title 9 Chapter 21, a plan must be submitted to our Office for review. The information presented in the Plan includes the assertions of the County and may not reflect either current market conditions or market conditions at the time of sale.

The County's Proposed Refunding Objective

The County indicated its purpose for the refunding is for present value debt service savings.

Balloon Indebtedness

The County determined the structure of the Refunding Bonds presented in the Plan is balloon indebtedness and therefore, submitted a separate request for approval of a plan of balloon indebtedness in conjunction with its request for the review of the Plan. Approval of the Director of the Office of State and Local Finance is required prior to the County adopting the resolution authorizing the issuance of balloon indebtedness.

The County's plan of balloon indebtedness was approved by our office in a separate letter dated November 4, 2016.

Compliance with the County's Debt Management Policy

The County provided a copy of its debt management policy, and within forty-five (45) days of issuance of the debt approved in this letter, is required to submit a Report on Debt Obligation that indicates that this debt complies with its debt policy. If the County amends its policy, please submit the amended policy to this office.

Private Negotiated Sale Approval

The approval of this Office is required when a County desires to sell refunding general obligation bonds through a negotiated sale process. The County has requested approval to sell the Refunding Bonds through negotiated sale. This letter constitutes approval for the County to negotiate the sale of the Refunding Bonds, conditioned upon the requirement that the Refunding Bonds are sold with the same principal repayment schedule as presented in the plan or the principal repayment schedule is accelerated.

Financial Professionals

The County has indicated that Raymond James & Associates, Inc., is its municipal advisor. Municipal advisors have a fiduciary responsibility to the County. Underwriters have no fiduciary responsibility to the County. They represent the interests of their firm and are not required to act in the County's best interest without regard to their own or other interests. The Plan was prepared by the County with the assistance of their municipal advisor.

Report of the Review of a Plan of Refunding

The enclosed report does not constitute approval or disapproval for the proposed plan or a determination that a refunding is advantageous or necessary nor that any of the outstanding obligations should be called for redemption on the first or any subsequent available redemption date or remain outstanding until their respective dates of maturity. This letter and the enclosed report do not address the compliance with federal tax regulations and are not to be relied upon for that purpose. The County should discuss these issues with a bond counsel.

This report is effective for a period of one hundred and twenty (120) days. If the refunding has not been completed during this time, a supplemental plan of refunding must be submitted to this Office. At that time we will issue a report thereon pursuant to the statutes. In lieu of submitting a supplemental plan, a statement may be submitted to our Office after the 120-day period has elapsed stating that the information contained in the current plan of refunding remains valid. Such statement must be submitted by either the Chief Executive Officer or the Chief Financial Officer of the local government. We will acknowledge receipt of such statement and will issue our letter confirming that this refunding report remains valid for an additional 120-day period. However, with regard to the report currently being issued by this Office, during the initial 120-day period or any subsequent 120-day period no refunding reports will be issued relating to the debt obligations indicated herein as being refunded unless the Chief Executive Officer or the Chief Financial Officer notifies our Office that the plan of refunding which has been submitted is no longer valid.

We recognize that the information provided in the plan submitted to our Office is based on preliminary analysis and estimates, and that actual results will be determined by market conditions at the time of sale of the debt obligations. However, if it is determined prior to the issuance of these obligations that the actual

results will be significantly different from the information provided in the plan which has been submitted, and the local government determines to proceed with the issue, our Office should subsequently be notified by either the Chief Executive Officer or the Chief Financial Officer of the local government regarding these differences, and that the local government was aware of the differences and determined to proceed with the issuance of the debt obligations. Notification to our Office will be necessary only if there is an increase or decrease of greater than fifteen percent (15%) in any of the following: (1) the principal amount of the debt obligations issued; (2) the costs of issuance; (3) the cumulative savings or loss with regard to any refunding proposal. We consider this notification necessary to insure that this Office and officials of the local government are aware of any significant changes that occur with regard to the issuance of the proposed indebtedness.

Municipal Securities Rulemaking Board (MSRB) Voluntary Disclosure of Bank Loans

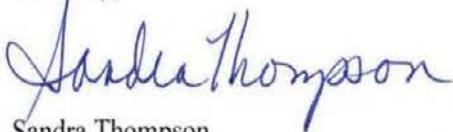

The Municipal Securities Rulemaking Board (MSRB) released regulatory notices: MSRB Notice 2011-52, providing guidance on the use of “bank loans” that could be a private placement of municipal securities subject to specific regulatory requirements including disclosure; and MSRB Notice 2012-18, encouraging the voluntary disclosure of bank loan financings through the MSRB’s Electronic Municipal Market Access (EMMA®) website (emma.msrb.org). For more information see the preceding notices on the MSRB’s website (msrb.org). To learn how to submit disclosure see the link at the bottom of the EMMA website labeled Submit Documents or the Education Center of the MSRB’s website.

Report on Debt Obligation

We are enclosing State Form CT-0253, Report on Debt Obligation. Report on Debt Obligation

**REPORT OF THE DIRECTOR OF THE OFFICE OF STATE AND LOCAL FINANCE
CONCERNING THE PROPOSED ISSUANCE BY
HENRY COUNTY
OF
GENERAL OBLIGATION SCHOOL REFUNDING BONDS, SERIES 2016**

Henry County (the "County") submitted a plan of refunding (the "Plan"), as required by T.C.A. § 9-21-903 regarding an issuance of an amount not to exceed \$2,275,000 General Obligation School Refunding Bonds, Series 2016, (the "Refunding Bonds") to advance refund \$2,010,000 General Obligation School Bonds, Series 2010, (the "Refunded Bonds").

This report must be presented to the governing body prior to the adoption of a refunding bond resolution. An evaluation of the preparation, support, and underlying assumptions of the Plan has not been performed by this Office. This letter and report provide no assurances of the reasonableness of the underlying assumptions. The Refunding Bonds may be issued with a structure different to that of the Plan. The County provided a copy of its debt management policy.

Balloon Indebtedness

The County determined the structure of the Refunding Bonds presented in the Plan is balloon indebtedness and therefore, submitted a separate request for approval of a plan of balloon indebtedness in conjunction with its request for the review of the Plan. Approval of the Director of the Office of State and Local Finance is required prior to the County adopting the resolution authorizing the issuance of balloon indebtedness.

The County's plan of balloon indebtedness was approved by our office in a separate letter dated November 4, 2016.

County's Proposed Refunding Objective

The County indicated its purpose for the refunding is for present value debt service savings.

Refunding Analysis

- The results of the refunding are based on the assumption that \$2,245,000 Refunding Bonds will be sold by negotiated sale and priced at par.
- The net present value savings are projected to be \$118,103, or 5.88% of the refunded principal of \$2,010,000.
- The refunding generates savings by reducing the average coupon of the Refunded Bonds from 4.06% to an average coupon of 1.85% for the Refunding Bonds.
- The final maturity of the Refunding Bonds does not extend beyond the final maturity of the Refunded Bonds.
- Estimated cost of issuance of the Refunding Bonds is \$22,500 or \$10.02 per \$1,000 of the par amount. See Table 1 for individual costs of issuance.

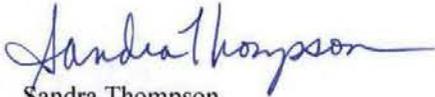

Table 1
Costs of Issuance of Refunding Bonds

	Amount	Price per \$1,000 bond
Municipal Advisor (Raymond James & Associates, Inc.)	\$ 6,500.00	\$ 2.90
Bond Counsel (Bass Berry & Sims)	12,000.00	5.34
Other Costs	4,000.00	1.78
Total Cost of Issuance	\$ 22,500.00	\$ 10.02

The County has indicated that Raymond James & Associates, Inc., is its municipal advisor. Municipal advisors have a fiduciary responsibility to the County. Underwriters have no fiduciary responsibility to the County. They represent the interests of their firm and are not required to act in the County's best interest without regard to their own or other interests. The Plan was prepared by the County with the assistance of its municipal advisor.

This report of the Office of State and Local Finance does not constitute approval or disapproval by the Office for the Plan or a determination that a refunding is advantageous or necessary nor that any of the refunded obligations should be called for redemption on the first or any subsequent available redemption date or remain outstanding until their respective dates of maturity. This report is based on information as presented in the Plan by the County. The assumptions included in the County's Plan may not reflect either current market conditions or market conditions at the time of sale.

If all of the Refunded Bonds are not refunded as a part of the Refunding Bonds, and the County wishes to refund them in a subsequent bond issue, then a new plan will have to be submitted to this Office for review.

November 4, 2016

Honorable Brent Greer, Mayor
and Honorable Board of Commissioners
Henry County
P.O. Box 7
Paris, TN 38242

Dear Mayor Greer and Members of the Board:

Henry County (the "County") submitted a request to our Office on November 1, 2016, for the approval of a plan of balloon indebtedness (the "Plan") to issue an amount not to exceed \$2,275,000 General Obligation School Refunding Bonds, Series 2016, (the "Refunding Bonds") to advance refund \$2,010,000 General Obligation School Bonds, Series 2010, (the "Refunded Bonds").

Balloon Indebtedness

The proposed debt structure for the Refunding Bonds includes increased principal payments in each year with the exception of the final principal payment. Approximately 80% of total principal payments will be made in the last two years. This structure constitutes balloon indebtedness as defined by state Statute because the structure is not substantially level or declining throughout the life of the debt. The County stated in its Plan that issuing this debt as balloon indebtedness will achieve cost savings and will shorten the weighted average maturity of the debt, both of which are in the public's interest. The Refunded Bonds had been previously issued as balloon indebtedness, and the issuance of the Refunding Bonds will refund a portion of the prior balloon indebtedness with a principal maturity structure similar to that of the Refunded Bonds.

Approval

The comptroller of the treasury or the comptroller's designee shall evaluate each plan of balloon indebtedness based on the plan's particular circumstances and shall approve the plan only if a determination is made that the repayment structure is in the public's interest. Based on the review of the Plan in accordance with statute, the Plan is approved.

Sincerely,

A handwritten signature in blue ink that reads "Sandra Thompson".

The monies so deposited, together with investment income therefrom, is herein referred to as the “Escrow Fund” and shall constitute a fund to be held by the Agent as a part of the Escrowed Property created, established, and governed by this Agreement.

SECTION 2.02. Investment of Funds. The monies described in Section 2.01 hereof shall be held or invested as follows:

(i) the amount of \$_____ shall be used to purchase the Government Securities described on Exhibit B attached hereto; and

(ii) the amount of \$_____ shall be held as cash in a non-interest-bearing account.

Except as provided in Sections 2.04 and 2.06 hereof, the investment income from the Government Securities in the Escrow Fund shall be credited to the Escrow Fund and shall not be reinvested. The Agent shall have no power or duty to invest any monies held hereunder or to make substitutions of Government Securities held hereunder or to sell, transfer, or otherwise dispose of the Government Securities acquired hereunder except as provided herein.

SECTION 2.03. Disposition of Escrow Funds. The Agent shall without further authorization or direction from the County collect the principal on the Government Securities promptly as the same shall fall due. From the Escrow Fund, to the extent that monies therein are sufficient for such purpose, the Agent shall make timely payments to the proper paying agent or agents, or their successors, for the Outstanding Bonds of monies sufficient for the payment of the principal of and interest on the Outstanding Bonds as the same shall become due and payable. Amounts and dates of principal and interest payments and the name and address of the paying agent with respect to the Outstanding Bonds are set forth on Exhibit A. Payment on the dates and to the paying agent in accordance with Exhibit A shall constitute full performance by the Agent of its duties hereunder with respect to each respective payment. The County represents and warrants that the Escrow Fund, if held, invested and disposed of by the Agent in accordance with the provisions of this Agreement, will be sufficient to make the foregoing payments. No paying agent fees, fees and expenses of the Agent, or any other costs and expenses associated with the Refunding Bonds or the Outstanding Bonds shall be paid from the Escrow Fund, and the County agrees to pay all such fees, expenses, and costs from its legally available funds as such payments become due. When the Agent has made all required payments of principal and interest on the Outstanding Bonds to the paying agent as hereinabove provided, the Agent shall transfer any monies or Government Securities then held hereunder to the County and this Agreement shall terminate.

SECTION 2.04. Excess Funds. Except as provided in Section 2.06 hereof, amounts held by the Agent, representing interest on the Government Securities in excess of the amount necessary to make the corresponding payment of principal and/or interest on the Outstanding Bonds, shall be held by the Agent without interest and shall be applied before any other Escrow Fund monies to the payment of the next

ensuing principal and/or interest payment on the Outstanding Bonds. Upon retirement of all the Outstanding Bonds, the Agent shall pay any excess amounts remaining in the Escrow Fund to the County.

The Escrow Agent shall deliver to the County Clerk of the County a monthly report summarizing all transactions relating to the Escrow Fund; and on or before the first day of August of each year shall deliver to the County Clerk and the Budget Director a report current as of June 30 of that year, which shall summarize all transactions relating to the Escrow Fund effected during the immediately preceding fiscal year of the County and which also shall set forth all assets in the Escrow Fund as of June 30 and set forth opening and closing balances thereof for that fiscal year.

SECTION 2.06. Investment of Moneys Remaining in Escrow Fund. The Agent may invest and reinvest any monies remaining from time to time in the Escrow Fund until such time as they are needed. Such monies shall be invested in Government Obligations, maturing no later than the next interest payment date of the Outstanding Bonds, or for such periods or at such interest rates as the Agent shall be directed by Written Request, provided, however, that the County shall furnish the Agent, as a condition precedent to such investment, with an opinion from nationally recognized bond counsel stating that such reinvestment of such monies will not, under the statutes, rules and regulations then in force and applicable to obligations issued on the date of issuance of the Refunding Bonds, cause the interest on the Refunding Bonds or the Outstanding Bonds not to be excluded from gross income for Federal income tax purposes and that such investment is not inconsistent with the statutes and regulations applicable to the Refunding Bonds or the Outstanding Bonds. Any interest income resulting from reinvestment of monies pursuant to this Section 2.06 shall be applied first to the payment of principal of and interest on the Outstanding Bonds to the extent the Escrow is or will be insufficient to retire the Outstanding Bonds as set forth on Exhibit A and any excess shall be paid to the County to be applied to the payment of the Refunding Bonds or the expenses of issuance thereof.

SECTION 2.07. Irrevocable Escrow Created. All the funds and accounts created and established pursuant to this Agreement shall be and constitute escrow funds for the purposes provided in this Agreement and shall be kept separate and distinct from all other funds of the County and the Agent and used only for the purposes and in the manner provided in this Agreement.

SECTION 2.08. Redemption of the Outstanding Bonds. The Outstanding Bonds shall be redeemed as stated on Exhibit C attached hereto. ARTICLE III

CONCERNING THE AGENT

SECTION 3.01. Appointment of Agent. The County hereby appoints the Agent as escrow agent under this Agreement.

SECTION 3.02. Acceptance by Agent. By execution of this Agreement, the Agent accepts the duties and obligations as Agent hereunder. The Agent further represents that it has all requisite power, and has taken all corporate actions necessary to execute the escrow hereby created.

SECTION 3.03. Liability of Agent. The Agent shall be under no obligation to inquire into or be in any way responsible for the performance or nonperformance by the County or any paying agent of its obligations, or to protect any of the County's rights under any bond proceedings or any of the County's other contracts with or franchises or privileges from any state, county, municipal or other governmental agency or with any person. The Agent shall not be liable for any act done or step taken or omitted to be taken by it, or for any mistake of fact or law, or anything which it may do or refrain from doing, except for its own negligence or willful misconduct in the performance or nonperformance of any obligation imposed upon it hereunder. The Agent shall not be responsible in any manner whatsoever for the recitals or statements contained herein or in the Outstanding Bonds or in the Refunding Bonds or in any proceedings taken in connection therewith, but they are made solely by the County. The Agent shall have no lien whatsoever upon any of the monies or investments in the Escrow Fund for the payment of fees and expenses for services rendered by the Agent under this Agreement.

The Agent shall not be liable for the accuracy of the calculations as to the sufficiency of Escrow Fund monies and Government Securities and the earnings thereon to pay the Outstanding Bonds. So long as the Agent applies any monies, the Government Securities to pay the Outstanding Bonds as provided herein, and complies fully with the terms of this Agreement, the Agent shall not be liable for any

deficiencies in the amounts necessary to pay the Outstanding Bonds caused by such calculations. The Agent shall not be liable or responsible for any loss resulting from any investment made pursuant to this Agreement and in full compliance with the provisions hereof.

In the event of the Agent's failure to account for any of the Government Securities or monies received by it, said Government Securities or monies shall be and remain the property of the County in escrow for the benefit of the holders of the Outstanding Bonds, as herein provided, and if for any improper reason such Government Securities or monies are applied to purposes not provided for herein or misappropriated by the Agent, the assets of the Agent shall be impressed with a trust for the amount thereof until the required application of such funds shall be made or such funds shall be restored to the Escrow Fund.

SECTION 3.04. Permitted Acts. The Agent and its affiliates may become the owner of or may deal in the Bonds as fully and with the same rights as if it were not the Agent.

SECTION 3.05. Exculpation of Funds of Agent. Except as set forth in Section 3.03, none of the provisions contained in this Agreement shall require the Agent to use or advance its own funds or otherwise incur personal financial liability in the performance of any of its duties or the exercise of any of its rights or powers hereunder. The Agent shall be under no liability for interest on any funds or other property received by it hereunder, except as herein expressly provided.

SECTION 3.06. Qualifications of Agent. There shall at all times be an Agent hereunder that shall be a corporation or banking association organized and doing business under the laws of the United States or any state, located in the State of Tennessee, authorized under the laws of its incorporation to exercise the powers herein granted, having a combined capital, surplus, and undivided profits of at least \$75,000,000 and subject to supervision or examination by federal or state authority. If such corporation or association publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this paragraph the combined capital, surplus, and undivided profits of such corporation or association shall be deemed to be its combined capital, surplus, and undivided profits as set forth in its most recent report of condition as published. In case at any time the Agent shall cease to be eligible in accordance with the provisions of this section, the Agent shall resign immediately in the manner and with the effect specified herein.

SECTION 3.07. Payment to Agent. The County agrees to pay the Agent, as reasonable and proper compensation under this Agreement the sum of \$_____. The Agent shall be entitled to reimbursement of all advances, counsel fees and expenses, and other costs made or incurred by the Agent in connection with its services and/or its capacity as Agent or resulting therefrom. In addition, the County agrees to pay to the Agent all out-of-pocket expenses and costs of the Agent incurred by the Agent in the performance of its duties hereunder, including all publication, mailing and other expenses associated with the payment of debt service of the Outstanding Bonds; provided, however, that, to the extent permitted by applicable law, the County agrees to indemnify the Agent and hold it harmless against any liability which it may incur while acting in good faith in its capacity as Agent under this Agreement, including, but not limited to, any court costs and attorneys' fees, and such indemnification shall be paid from available funds of the County and shall not give rise to any claim against the Escrow Fund.

SECTION 3.08. Resignation of Agent. The Agent may at any time resign by giving direct written notice to the County and by giving the holder of the Outstanding Bonds by first-class mail of such resignation. Upon receiving such notice of resignation, the County shall promptly appoint a successor escrow agent by resolution of its governing body. If no successor escrow agent shall have been appointed and have accepted appointment within thirty (30) days after the publication of such notice of resignation, the resigning Agent may petition any court of competent jurisdiction located in Henry County, Tennessee, for the appointment of a successor, or any holder of the Outstanding Bonds may, on behalf of himself and others similarly situated, petition any such court for the appointment of a successor. Such court may thereupon, after such notice, if any, as it may deem proper, appoint a successor meeting the qualifications set forth in Section 3.06. The Agent shall serve as escrow agent hereunder until its successor shall have been appointed and such successor shall have accepted the appointment.

SECTION 3.09. Removal of Agent. In case at any time the Agent shall cease to be eligible in accordance with the provisions of Section 3.06 hereof and shall fail to resign after written request therefor by the County or by any holder of the Outstanding Bonds, or the Agent shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Agent or any of its property shall be appointed, or any public officer shall take charge or control of the Agent or its property or affairs for the purpose of rehabilitation, conservation, or liquidation, then in any such case, the County may remove the Agent and appoint a successor by resolution of its governing body or any such holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction situated in the County for the removal of the Agent and the appointment of a successor. Such court may thereupon, after such notice, if any, as it may deem proper, remove the Agent and appoint a successor who shall meet the qualifications set forth in Section 3.08. Unless incapable of serving, the Agent shall serve as escrow agent

hereunder until its successor shall have been appointed and such successor shall have accepted the appointment.

Any resignation or removal of the Agent and appointment of a successor pursuant to any of the provisions of this Agreement shall become effective upon acceptance of appointment by the successor as provided in Section 3.10 hereof.

SECTION 3.10. Acceptance by Successor. Any successor escrow agent appointed as provided in this Agreement shall execute, acknowledge and deliver to the County and to its predecessor an instrument accepting such appointment hereunder and agreeing to be bound by the terms hereof, and thereupon the resignation or removal of the predecessor shall become effective and such successor, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor, with like effect as if originally named as Agent herein; but, nevertheless, on Written Request of the County or the request of the successor, the predecessor shall execute and deliver an instrument transferring to such successor all rights, powers and escrow property of the predecessor. Upon request of any such successor, the County shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor all such rights, powers and duties. No successor shall accept appointment as provided herein unless at the time of such acceptance such successor shall be eligible under the provisions of Section 3.07 hereof.

Any corporation into which the Agent may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Agent shall be a party, or any corporation succeeding to the business of the Agent, shall be the successor of the Agent hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding, provided that such successor shall be eligible under the provisions of Section 3.07 hereof.

ARTICLE IV

MISCELLANEOUS

SECTION 4.01. Amendments to this Agreement. This Agreement is made for the benefit of the County, the holders from time to time for the Outstanding Bonds and it shall not be repealed, revoked, altered or amended without the written consent of all such holders, the Agent and the County; provided, however, that the County and the Agent may, without the consent of, or notice to, such holders, enter into such agreements supplemental to this Agreement as shall not adversely affect the rights of such holders and as shall not be inconsistent with the terms and provisions of this Agreement, for any one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission in this Agreement;
- (b) to grant to, or confer upon, the Agent for the benefit of the holder[s] of the Outstanding Bonds any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such holders or the Agent; and
- (c) to subject to this Agreement additional funds, securities or properties.

The Agent shall be entitled to rely exclusively upon an unqualified opinion of nationally recognized bond counsel with respect to compliance with this Section, including the extent, if any, to which any change, modification, addition or elimination affects the rights of the holder of the Outstanding Bonds or that any instrument executed hereunder complies with the conditions and provisions of this Section.

Notwithstanding the foregoing or any other provision of this Agreement, upon Written Request and upon compliance with the conditions hereinafter stated, the Agent shall have the power to and shall, in simultaneous transactions, sell, transfer, otherwise dispose of or request the redemption of the Government Obligations held hereunder and to substitute therefor direct obligations of, or obligations the principal of and interest on which are fully guaranteed by the United States of America, subject to the condition that such monies or securities held by the Agent shall be sufficient to pay principal of, premium, if any, and interest on the Outstanding Bonds. The County hereby covenants and agrees that it will not request the Agent to exercise any of the powers described in the preceding sentence in any manner which will cause the Refunding Bonds or Outstanding Bonds to be arbitrage bonds within the meaning of Section 148 of the Code in effect on the date of such request and applicable to obligations issued on the issue date of the Refunding Bonds. The Agent shall purchase such substituted securities with the proceeds derived from the maturity, sale, transfer, disposition or redemption of the Government Obligations held hereunder or from other monies available. The transactions may be effected only if there shall have been submitted to the Agent: (1) an independent verification by a nationally recognized independent certified public accounting firm concerning the adequacy of such substituted securities with respect to principal and the interest thereon and any other monies or securities held for such purpose to pay when due the principal of, premium, if any,

and interest on the Outstanding Bonds in the manner required by the proceedings which authorized their issuance; and (2) an opinion from nationally recognized bond counsel to the effect that the disposition and substitution or purchase of such securities will not, under the statutes, rules and regulations then in force and applicable to obligations issued on the date of issuance of the Refunding Bonds, or Outstanding Bonds cause the interest on the Refunding Bonds not to be exempt from Federal income taxation. FORM OF ENGAGEMENT LETTER

LETTERHEAD OF BASS, BERRY & SIMS PLC

November 21, 2016

Henry County, Tennessee
101 West Washington Street
Paris, Tennessee 38242
Attention: Brent Greer, County Mayor

Re: Issuance of Approximately \$2,275,000 in Aggregate Principal Amount of General Obligation School Refunding Bonds.

Dear Mayor:

The purpose of this engagement letter is to set forth certain matters concerning the services we will perform as bond counsel to Henry County, Tennessee (the "Issuer"), in connection with the issuance of the above-referenced bonds (the "Bonds"). We understand that the Bonds are being issued for the purpose of providing funds necessary to refinance all or a portion of certain of the Issuer's outstanding bonds and to pay costs of issuance of the Bonds, as more fully set forth in the resolution adopted by the County Commission on November 21, 2016.

SCOPE OF ENGAGEMENT

In this engagement, we expect to perform the following duties:

1. Subject to the completion of proceedings to our satisfaction, render our legal opinion (the Bond Opinion) regarding the validity and binding effect of the Bonds, the source of payment and security for the Bonds, and the excludability of interest on the Bonds in gross income for federal income tax purposes.
2. Prepare and review documents necessary or appropriate for the authorization, issuance and delivery of the Bonds, coordinate the authorization and execution of such documents, and review enabling legislation.
3. Assist the Issuer in seeking from other governmental authorities such approvals, permissions and exemptions as we determine are necessary or appropriate in connection with the authorization, issuance, and delivery of the Bonds, except that we will not be responsible for any required blue-sky filings.
4. Review legal issues relating to the structure of the Bond issue.
5. Draft those sections of the official statement, if any, to be disseminated in connection with the sale of the Bonds, describing the Bond Opinion, the terms of and security for the Bonds, and the treatment of the Bonds and interest thereon under state and federal tax law.
6. Assist the Issuer in presenting information to bond rating organizations and providers of credit enhancement relating to legal issues affecting the issuance of the Bonds, if requested.
7. Prepare and review the notice of sale pertaining to the competitive sale of the Bonds, if any, and review the bond purchase agreement, if sold at negotiated sale.

Our Bond Opinion will be addressed to the Issuer and will be delivered by us on the date the Bonds are exchanged for their purchase price (the "Closing").

The Bond Opinion will be based on facts and law existing as of its date. In rendering our Bond Opinion, we will rely upon the certified proceedings and other certifications of public officials and other persons furnished to us without undertaking to verify the same by independent investigation, and we will assume continuing compliance by the Issuer with applicable laws relating to the Bonds. During the course of this engagement, we will rely on you to provide us with complete and timely information on all developments pertaining to any aspect of the Bonds and their security. We understand that you will direct members of your staff and other employees of the Issuer to cooperate with us in this regard.

Our duties in this engagement are limited to those expressly set forth above. Among other things, our duties do not include:

- a. Except as described in paragraph (5) above,
 - 1) Assisting in the preparation or review of an official statement or any other disclosure document with respect to the Bonds, or
 - 2) Performing an independent investigation to determine the accuracy, completeness or sufficiency of any such document, or
 - 3) Rendering advice that the official statement or other disclosure documents
 - a) Do not contain any untrue statement of a material fact or
 - b) Do not omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.
- b. Preparing requests for tax rulings from the Internal Revenue Service, or no action letters from the Securities and Exchange Commission.
- c. Preparing blue sky or investment surveys with respect to the Bonds.
- d. Drafting state constitutional or legislative amendments.
- e. Pursuing test cases or other litigation, (such as contested validation proceedings).
- f. Making an investigation or expressing any view as to the creditworthiness of the Issuer or the Bonds.
- g. Assisting in the preparation of, or opining on, any continuing disclosure undertaking pertaining to the Bonds or any other debt of the Issuer, or providing advice concerning any actions necessary to assure compliance with any continuing disclosure undertaking.
- h. Representing the Issuer in Internal Revenue Service examinations or inquiries, or Securities and Exchange Commission investigations.
- i. After Closing, providing continuing advice to the Issuer or any other party concerning any actions necessary to assure that interest paid on the Bonds will continue to be excludable from gross income for federal income tax purposes (e.g., our engagement does not include rebate calculations for the Bonds).
- j. Addressing any other matter not specifically set forth above that is not required to render our Bond Opinion.

ATTORNEY-CLIENT RELATIONSHIP

Upon execution of this engagement letter, the Issuer will be our client and an attorney-client relationship will exist between us. We assume that all other parties will retain such counsel as they deem necessary and appropriate to represent their interests in this transaction. We further assume that all other parties understand that in this transaction we represent only the Issuer, we are not counsel to any other party, and we are not acting as an intermediary among the parties. Our services as bond counsel are limited to those contracted for in this letter; the Issuer's execution of this engagement letter will constitute an acknowledgment of those limitations. Our representation of the Issuer will not affect, however, our responsibility to render an objective Bond Opinion. Please note that, in our representation of the Issuer, we will not act as a "Financial Advisor", as such term is defined in the Securities Exchange Act of 1934, as amended.

Our representation of the Issuer and the attorney-client relationship created by this engagement letter will be concluded upon issuance of the Bonds. Nevertheless, subsequent to Closing, we will mail the appropriate Internal Revenue Service Forms 8038-G, and prepare and distribute to the participants in the transaction a transcript of the proceedings pertaining to the Bonds.

As you are aware, our firm represents many political subdivisions, companies and individuals. It is possible that during the time that we are representing the Issuer, one or more of our present or future clients will have transactions with the Issuer. It is also possible that we may be asked to represent, in an

unrelated matter, one or more of the entities involved in the issuance of the Bonds. We currently represent Raymond James & Associates, Inc. on unrelated matters. We do not believe such representation, or such other representations, if they occur, will adversely affect our ability to represent you as provided in this letter, either because such matters will be sufficiently different from the issuance of the Bonds as to make such representations not adverse to our representation of you, or because the potential for such adversity is remote or minor and outweighed by the consideration that it is unlikely that advice given to the other client will be relevant to any aspect of the issuance of the Bonds. Execution of this letter will signify the Issuer's consent to our representation of others consistent with the circumstances described in this paragraph.

FEES

Based upon: (i) our current understanding of the terms, structure, size and schedule of the financing represented by the Bonds; (ii) the duties we will undertake pursuant to this engagement letter; (iii) the time we anticipate devoting to the financings; and (iv) the responsibilities we will assume in connection therewith, we estimate that our fee will be \$12,000 for the Bonds. Our fees may vary: (a) if the principal amount of Bonds actually issued differs significantly from the amounts stated above; (b) if material changes in the structure or schedule of the respective financings occur; or (c) if unusual or unforeseen circumstances arise which require a significant increase in our time or responsibility. If, at any time, we believe that circumstances require an adjustment of our original fee estimates, we will advise you and prepare and provide to you an amendment to this engagement letter. The fees quoted above will include all out-of-pocket expenses advanced for your benefit, such as travel costs, photocopying, deliveries, long distance telephone charges, telecopier charges, filing fees, computer-assisted research and other expenses.

If, for any reason, the financing represented by the Bonds is completed without the delivery of our Bond Opinion as bond counsel or our services are otherwise terminated, we will expect to be compensated at our normal rates for the time actually spent on your behalf plus client charges as described above unless we have failed to meet our responsibilities under this engagement, but in no event will our fees exceed the amount set forth above.

RECORDS

At your request, papers and property furnished by you will be returned promptly upon receipt of payment for outstanding fees and client charges. All goods, documents, records, and other work product and property produced during the performance of this engagement are deemed to be Issuer's property. We agree to maintain documentation for all charges against the Issuer. Our books, records, and documents, insofar as they relate to work performed or money received under this engagement, shall be maintained for a period of three (3) full years from the respective Closings and will be subject to audit, at any reasonable time and upon reasonable notice by the Issuer or its duly appointed representatives.

OTHER MATTERS

We have not retained any persons to solicit or secure this engagement from the Issuer upon an agreement or understanding for a contingent commission, percentage, or brokerage fee. We have not offered any employee of the Issuer a gratuity or an offer of employment in connection with this engagement and no employee has requested or agreed to accept a gratuity or offer of employment in connection with this engagement.

Any modification or amendment to this Engagement Letter must be in writing, executed by us and contain the signatures of the Issuer. The validity, construction and effect of this Engagement Letter and any and all extensions and/or modifications thereof shall be governed by the laws of the State of Tennessee. Any action between the parties arising from this Engagement Letter shall be maintained in the state or federal courts of Davidson County, Tennessee.

CONCLUSION

If the foregoing terms are acceptable to you, please so indicate by returning the enclosed copy of this engagement letter dated and signed by an authorized officer, retaining the original for your files. We look forward to working with you.
