SUMMARY OF TRANSACTION – Resolution #5-1-20

Based upon current favorable conditions in the fixed rate municipal bond market, the County has an opportunity to refinance the outstanding General Obligation School Bonds, Series 2010, dated January 22, 2010 (“Series 2010 Bonds”) which were issued for the benefit of the School System to fund improvements to E.W. Grove School. Series 2010 Bonds totaling \$2,065,000 mature annually on May 1 through May 1, 2026 and carry an average interest rate of approximately 4.07%. By refinancing the Series 2010 Bonds at lower interest rates reflective of today’s market conditions without extending the existing maturity schedule, the transaction is expected to save as much as \$150,000 net of all transaction expenses. All savings will be realized in roughly equal annual amounts beginning in fiscal years 2021 through 2026.

The Board of Commissioners is scheduled to consider an authorizing resolution allowing the transaction to proceed at its meeting on Tuesday, January 21, 2020. If approved, the plan is to offer the refinancing bonds to local banks and other financial institutions on Thursday, January 30, 2020. If no proposal received results in significant acceptable savings, then the County Mayor has the right to reject all proposals. While all transaction costs are incorporated into the transaction, if proposals are not acceptable and proposals are rejected, no costs will be incurred and the Series 2010 Bonds will be retired as currently scheduled.

RESOLUTION NO. 5-1-20

The Bonds shall be issued in one or more series, in fully registered, book-entry form (except as otherwise set forth herein), without coupons, and subject to the adjustments permitted hereunder, shall be known as “General Obligation School Refunding Bonds”, shall be dated their date of issuance, and shall have such series designation or such other dated date as shall be determined by the County Mayor pursuant to the terms hereof. The Bonds shall bear interest at a rate or rates not to exceed the maximum rate permitted by applicable Tennessee law at the time of issuance of the Bonds, or any series thereof, payable (subject to the adjustments permitted hereunder) semi-annually on May 1 and November 1 in each year, commencing May 1, 2020. The Bonds shall be issued initially in \$5,000 denominations or integral multiples thereof, or such other denomination as required by the purchaser thereof. Subject to the adjustments permitted pursuant to the terms hereof, the Bonds shall mature serially or be subject to mandatory redemption and shall be payable on May 1 of each year, subject to prior optional redemption as hereinafter provided, in the years 2021 through 2026, inclusive; provided, however, such amortization may be adjusted in accordance with the terms hereof.

(b) Subject to the adjustments permitted under Section 8 hereof, the Bonds shall not be subject to redemption prior to their stated maturities at the option of the County. If the Bonds are determined to be callable at the option of the County pursuant to the provisions of Section 8 hereof, the Bonds shall be subject to redemption prior to maturity at the option of the County, as a whole or in part, at any time at the redemption price of par plus accrued interest to the redemption date.

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be selected by the Governing Body in its discretion. If less than all of the Bonds within a single maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

(c) Pursuant to the terms hereof, the County Mayor is authorized to sell the Bonds, or any maturities thereof, as term bonds ("Term Bonds") with mandatory redemption requirements corresponding to the maturities set forth herein or as determined by the County Mayor. In the event any or all the Bonds are sold as Term Bonds, the County shall redeem Term Bonds on redemption dates corresponding to the maturity dates set forth herein, in aggregate principal amounts equal to the maturity amounts established pursuant to the terms hereof for each redemption date, as such maturity amounts may be adjusted pursuant to the terms hereof, at a price of par plus accrued interest thereon to the date of redemption. If less than all of the Term Bonds to be redeemed within a single maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected in the manner provided in subsection (b) above.

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such mandatory redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and cancelled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

Notice of any call for redemption shall be given by the Registration Agent on behalf of the County not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant or Beneficial Owner will not affect the validity of such redemption. The Registration Agent shall mail said notices as and when directed by the County pursuant to written instructions from an

authorized representative of the County (other than for a mandatory sinking fund redemption, notices of which shall be given on the dates provided herein) given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be satisfactory to the Registration Agent). From and after the redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth herein. In the case of a Conditional Redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository, if applicable, or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding. Notwithstanding anything hereinabove to the contrary, and to the extent they do not contravene any other applicable rules affecting the Bonds, the County may provide for different notice requirements, if agreed to by the purchaser thereof.

(d) The Governing Body hereby authorizes and directs the County Mayor to appoint the Registration Agent for the Bonds and hereby authorizes the Registration Agent so appointed to maintain Bond registration records with respect to the Bonds, to authenticate and deliver the Bonds as provided herein, either at original issuance or upon transfer, to effect transfers of the Bonds, to give all notices of redemption as required herein, to make all payments of principal and interest with respect to the Bonds as provided herein, to cancel and destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer, to furnish the County at least annually a certificate of destruction with respect to Bonds cancelled and destroyed, and to furnish the County at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds. The County Mayor is hereby authorized to execute and the County Clerk is hereby authorized to attest any written agreement between the County and the Registration Agent if and to the extent they deem necessary and proper with respect to the obligations, duties and rights of the Registration Agent. The payment of all reasonable fees and expenses of the Registration Agent for the discharge of its duties and obligations hereunder or under any such agreement is hereby authorized and directed.

(e) The Bonds shall be payable, both principal and interest, in lawful money of the United States of America at the main office of the Registration Agent. The Registration Agent shall make all interest payments with respect to the Bonds by check or draft on each interest payment date directly to the registered owners as shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by depositing said payment in the United States mail, postage prepaid, addressed to such owners at their addresses shown on said Bond registration records, without, except for final payment, the presentation or surrender of such registered Bonds, and all such payments shall discharge the obligations of the County in respect of such Bonds to the extent of the payments so made. Payment of principal of and premium, if any, on the Bonds shall be made upon presentation and surrender of such Bonds to the Registration Agent as the same shall become due and payable. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each. In the event the Bonds are no longer registered in the name of DTC, or a successor Depository, if requested by the Owner of at least \$1,000,000 in aggregate principal amount of the Bonds, payment of interest on such Bonds shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Registration Agent and written notice of any such election and designated account is given to the Registration Agent prior to the record date.

(f) Any interest on any Bond that is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the County to the persons in whose names the Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: the County shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the County shall deposit with the Registration

Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered Owners. The Registration Agent shall promptly notify the County of such Special Record Date and, in the name and at the expense of the County, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in this Section or in the Bonds shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the County to punctually pay or duly provide for the payment of principal of, premium, if any, and interest on the Bonds when due.

(g) The Bonds are transferable only by presentation to the Registration Agent by the registered owner, or his legal representative duly authorized in writing, of the registered Bond(s) to be transferred with the form of assignment on the reverse side thereof completed in full and signed with the name of the registered owner as it appears upon the face of the Bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Bond(s) in such form and with such documentation, if any, the Registration Agent shall issue a new Bond or the Bond to the assignee(s) in \$5,000 denominations, or integral multiples thereof, or such other denomination as required by the purchaser thereof. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the publication of notice calling such Bond for redemption has been made, nor to transfer or exchange any Bond during the period following the receipt of instructions from the County to call such Bond for redemption; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bonds shall be overdue. The Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in any authorized denomination or denominations.

(h) The Bonds shall be executed in such manner as may be prescribed by applicable law, in the name, and on behalf, of the County with the signature of the County Mayor and the attestation of the County Clerk.

(i) Except as otherwise provided in this resolution, the Bonds shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds. References in this Section to a Bond or the Bonds shall be construed to mean the Bond or the Bonds that are held under the Book-Entry System. One Bond for each maturity shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Bond Registrar is a custodian and agent for DTC, and the Bond will be immobilized in its custody. A Book-Entry System shall be employed, evidencing ownership of the Bonds in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Bonds. Beneficial ownership interests in the Bonds may be purchased by or through DTC

Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners shall not receive the Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Bonds. Transfers of ownership interests in the Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE BONDS, THE REGISTRATION AGENT SHALL TREAT CEDE & CO. AS THE ONLY HOLDER OF THE BONDS FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE REGISTRATION AGENT TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid by the Registration Agent directly to DTC or its nominee, Cede & Co., as provided in the Letter of Representation relating to the Bonds from the County and the Registration Agent to DTC (the "Letter of Representation"). DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. The County and the Registration Agent shall not be responsible or liable for payment by DTC or DTC Participants for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Bonds, or (2) the County determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect their interests or the interests of the Beneficial Owners of the Bonds, then the County shall discontinue the Book-Entry System with DTC or, upon request of such original purchaser, deliver the Bonds to the original purchaser in the form of fully-registered Bonds, as the case may be. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully-registered Bonds to each Beneficial Owner. If the purchaser(s) certifies that it intends to hold the Bonds for its own account, then the County may issue certificated Bonds without the utilization of DTC and the Book-Entry System.

THE COUNTY AND THE REGISTRATION AGENT SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE BONDS; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS; (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC OR ITS NOMINEE, CEDE & CO., AS OWNER.

(j) The Registration Agent is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Bonds for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC (or any of its designees identified to the Registration Agent) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the owners of the Bonds; provided, however, that the Registration Agent shall not be liable with respect to any such arrangements it may make pursuant to this Section.

(k) The Registration Agent is hereby authorized to authenticate and deliver the Bonds to the original purchaser, upon receipt by the County of the proceeds of the sale thereof and to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the Bond(s) to be transferred in proper form with proper documentation as hereinabove described. The Bonds shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an officer thereof on the certificate set forth herein on the Bond form.

(l) In case any Bond shall become mutilated, or be lost, stolen, or destroyed, the County, in its discretion, shall issue, and the Registration Agent, upon written

direction from the County, shall authenticate and deliver, a new Bond of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Bond, or in lieu of and in substitution for such lost, stolen or destroyed Bond, or if any such Bond shall have matured or shall be able to mature, instead of issuing a substituted Bond the County may pay or authorize payment of such Bond without surrender thereof. In every case, the applicant shall furnish evidence satisfactory to the County and the Registration Agent of the destruction, theft or loss of such Bond, and indemnify satisfactory to the County and the Registration Agent; and the County may charge the applicant for the issue of such new Bond an amount sufficient to reimburse the County for the expense incurred by it in the issue thereof.

Section 5. Source of Payment. The Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of the principal of, premium, if any, and interest on the Bonds, the full faith and credit of the County are hereby irrevocably pledged. The Bonds shall be additionally payable from and secured by the School Board Sales Tax Revenues, in an amount not to exceed \$122,000 per fiscal year, subject to the prior pledge of such School Board Sales Tax Revenues, in an aggregate amount not to exceed \$600,000 per fiscal year, to the Prior School Bonds.

Section 6. Form of Bonds. The Bonds shall be in substantially the following form, the omissions to be appropriately completed when the Bonds are prepared and delivered:

FOR VALUE RECEIVED, Henry County, Tennessee (the “County”) hereby promises to pay to the registered owner hereof, hereinabove named, or registered assigns, in the manner hereinafter provided, the principal amount hereinabove set forth on the maturity date hereinabove set forth (or upon earlier redemption as set forth herein), and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on said principal amount at the annual rate interest hereinabove set forth from the date hereof until said maturity date or redemption date, said interest being payable on [May 1, 2020], and semi-annually thereafter on the first day of May and November in each year until this Bond matures or is redeemed. The principal hereof and interest hereon are payable in lawful money of the United States of America by check or draft at the principal corporate trust office of _____, _____, as registration and paying agent (the “Registration Agent”). The Registration Agent shall make all interest payments with respect to this Bond on each interest payment date directly to the registered owner hereof shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the “Regular Record Date”) by check or draft mailed to such owner at such owner’s address shown on said Bond registration records, without, except for final payment, the presentation or surrender of this Bond, and all such payments shall discharge the obligations of the County to the extent of the payments so made. Any such interest not so punctually paid or duly provided for on any interest payment date shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on the date (the “Special Record Date”) for payment of such defaulted interest to be fixed by the Registration Agent, notice of which shall be given to the owners of the Bonds of the issue of which this Bond is one not less than ten (10) days prior to such Special Record Date. Payment of principal of [and premium, if any, on] this Bond shall be made when due upon presentation and surrender of this Bond to the Registration Agent.

[Except as otherwise provided herein or in the Resolution, as hereinafter defined, this Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds of the series of which this Bond is one. One Bond for each maturity of the Bonds shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Registration Agent is a custodian and agent for DTC, and the Bonds will be immobilized in its custody. A book-entry system shall be employed, evidencing ownership of the Bonds in \$5,000 denominations, or multiples thereof, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants, as defined in the Resolution, pursuant to rules and procedures established by DTC. So long as Cede & Co., as nominee for DTC, is the registered owner of the Bonds, the County and the Registration Agent shall treat Cede & Co. as the only owner of the Bonds for all purposes under the Resolution, including receipt of all principal and maturity amounts of, premium, if any, and interest on the Bonds, receipt of notices, voting and requesting or taking or not taking, or consenting to, certain actions hereunder. Payments of principal, maturity amounts, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid directly to DTC or its nominee, Cede & Co. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners, as defined in the Resolution. Neither the County nor the Registration Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants. In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the County determines that the continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect its interests or the interests of the Beneficial Owners of the Bonds, the County may discontinue the book-entry system with DTC. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully-registered Bonds to each Beneficial Owner. Neither the County nor the Registration Agent shall have any responsibility or obligations to DTC Participant or any Beneficial Owner with respect to (i) the Bonds; (ii) the accuracy or any records maintained by DTC or any DTC Participant; (iii) the payment by DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of the principal or maturity amounts of and interest on the Bonds; (iv) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any Beneficial Owner that is required or permitted under the terms of the Resolution to be given to Beneficial Owners; (v) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the Bonds; or (vi) any consent given or other action taken by DTC, or its nominee, Cede & Co., as owner.]

[Bonds of the issue of which this Bond is one shall not be subject to redemption prior to maturity at the option of the County.][Bonds of the issue of which this Bond is one shall be subject to redemption prior to maturity at the option of the County, as a whole or in part at any time at the redemption price of par plus accrued interest to the redemption date.]

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be designated by the Board of County Commissioners of the County, in its discretion. If less than all the principal amount of the Bonds of a maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the amount of the interest of each DTC Participant in the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.]

[Subject to the credit hereinafter provided, the County shall redeem Bonds maturing _____ on the redemption dates set forth below opposite the maturity dates, in aggregate principal amounts equal to the respective dollar amounts set forth below opposite the respective redemption dates at a price of par plus accrued interest thereon to the date of redemption. DTC, as securities depository for the series of Bonds of which this Bond is one, or such Person as shall then be serving as the securities depository for the Bonds, shall determine the interest of each Participant in the Bonds to be redeemed using its procedures generally in use at that time. If DTC or another securities depository is no longer serving as securities depository for the Bonds, the Bonds to be redeemed within a maturity shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall select. The dates of redemption and principal amount of Bonds to be redeemed on said dates are as follows:

Final Maturity

Redemption Date

Principal Amount
of Bonds Redeemed

*Final Maturity

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and cancelled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.]

[Notice of any call for redemption shall be given by the Registration Agent not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant will not affect the validity of such redemption. From and after any redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and it notice has been duly provided as set forth in the Resolution, as hereafter defined. In the case of a Conditional Redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the [Depository or the] affected Bondholders that the redemption did not occur and that the Bond called for redemption and not so paid remain outstanding.]

This Bond is transferable by the registered owner hereof in person or by such owner's attorney duly authorized in writing at the principal corporate trust office of the Registration Agent set forth on the front side hereof, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, as hereafter defined, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds of authorized denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bond shall be overdue. Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been made, nor during a period following the receipt of instructions from the County to call such Bond for redemption.

This Bond is one of a total authorized issue aggregating \$_____ and issued by the County to (i) refund all or a portion of the County's outstanding General Obligation School Bonds, Series 2010, dated January 22, 2010, maturing May 1, 2024 and thereafter, and (ii) pay costs incident to the issuance and sale of the Bonds, pursuant to 9-21-101, et seq., Tennessee Code Annotated, as amended, and pursuant to a resolution adopted by the Board of County Commissioners of the County on January 21, 2020 (the "Resolution").

The Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of the principal of, premium, if any, and interest on the Bonds, the full faith and credit of the County are hereby irrevocably pledged. The Bonds shall be additionally payable from and secured by the School Board Sales Tax Revenues, in an amount not to exceed \$122,000 per fiscal year, subject to the prior pledge of such School Board Sales Tax Revenues, in an aggregate amount not to exceed \$600,000 per fiscal year, to the Prior School Bonds (as such capitalized terms used in this sentence, but not defined herein, are defined in the Resolution).

This Bond and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on interest on the Bond during the period the Bond is held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Bond in Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the County, does not exceed any limitation prescribed by the constitution and statutes of the State of Tennessee.

The County, through its Governing Body, shall annually levy and collect a tax upon all taxable property within the County, in addition to all other taxes authorized by law, sufficient to pay principal of, premium, if any, and interest on the Bonds when due, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay principal and interest coming due on the Bonds in said year. Principal and interest falling due at any time when there are insufficient funds from this tax levy on hand shall be paid from the current funds of the County and reimbursement therefor shall be made out of the taxes hereby provided to be levied when the same shall have been collected. The tax herein provided may be reduced to the extent of any direct appropriations from other funds, taxes and revenues of the County to the payment of debt service on the Bonds, including but not limited to the School Board Sales Tax Revenues in the amount and manner provided above.

Section 8. Sale of Bonds.

(a) The Bonds shall be sold by informal bid or negotiated sale in one or more series, at a price of not less than 98% of par, exclusive of original issue discount, plus accrued interest, as a whole or in part from time to time as shall be determined by the County Mayor, in consultation with the Municipal Advisor. The County Mayor is authorized to execute and the County Clerk to attest an award certificate, bond purchase agreement, or other document(s) as applicable, providing the details of the terms of the sale. The sale of any emission of the Bonds by the County Mayor to the purchaser thereof shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required.

(b) If the Bonds are sold in more than one series, the County Mayor is authorized to cause to be sold in each series an aggregate principal amount of Bonds less than that shown in Section 4 hereof for each series, so long as the total aggregate principal amount of all series issued does not exceed the total amount of Bonds authorized to be issued pursuant to Section 9-21-904.

(c) The County Mayor is further authorized with respect to each series of Bonds to:

(1) change the dated date of the Bonds, or any series thereof, to a date other than the date of issuance of the Bonds;

(5) add, adjust or remove the County's optional redemption provisions of the Bonds, provided that the premium amount to be paid on Bonds or any series thereof does not exceed two percent (2%) of the principal amount thereof;

(6) refund less than all of the Outstanding Indebtedness;

(7) sell the Bonds, or any series thereof, or any maturities thereof as Term Bonds with mandatory redemption requirements corresponding to the maturities set forth herein or as otherwise determined by the County Mayor, as he shall deem most advantageous to the County; and

(8) cause all or a portion of the Bonds to be insured by a bond insurance policy issued by a nationally recognized bond insurance company if such insurance is requested and paid for by the winning bidder of the Bonds, or any series thereof.

The form of the Bond set forth in Section 6 hereof shall be conformed to reflect any changes made pursuant to this Section 8 hereof.

(d) The County Mayor is authorized to sell the Bonds, or any series thereof, simultaneously with any other bonds or notes authorized by resolution or resolutions of the Governing Body. The County Mayor is further authorized to sell the Bonds, or any series thereof, as a single issue of bonds with any other bonds with substantially similar terms authorized by resolution or resolutions of the Governing Body, in one or more series as the County Mayor shall deem to be advantageous to the County and in doing so, the County Mayor is authorized to change the designation of the Bonds to a designation other than "General Obligation School Refunding Bonds"; provided, however, that the total aggregate principal amount of combined bonds to be sold does not exceed the total aggregate principal amount of Bonds authorized by this resolution or bonds authorized by any other resolution or resolutions adopted by the Governing Body.

(e) The County Mayor and County Clerk are authorized to cause the Bonds, in book-entry form (except as otherwise permitted herein), to be authenticated and delivered by the Registration Agent to the successful bidder and to execute, publish, and deliver all certificates and documents, including an official statement and closing certificates, as they shall deem necessary in connection with the sale and delivery of the Bonds.

Section 9. Disposition of Bond Proceeds. The proceeds of the sale of the Bonds shall be disbursed as follows:

(a) An amount sufficient, together with such other County funds as may be identified by the County Mayor and, if applicable, investment earnings on the foregoing, to refund the Refunded Indebtedness shall be applied to the refunding thereof by depositing such funds with the Refunding Escrow Agent and held in accordance with the terms of the Refunding Escrow Agreement and/or, if determined by the County Mayor to be in the best interest of the County, by paying such funds directly to the holders (or paying agent for the holders) of the Refunded Indebtedness.

(b) The remainder of the proceeds of the sale of the Bonds shall be used to pay costs of issuance of the Bonds, including necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, administrative and clerical costs, Registration Agent fees, bond insurance premiums, if any, and other necessary miscellaneous expenses incurred in connection with the issuance and sale of

the Bonds. Notwithstanding the foregoing, costs of issuance of the Bonds may be withheld from the purchase price of the Bonds and paid to the Municipal Advisor to be used to pay costs of issuance of the Bonds.

Section 10. Official Statement. No formal offering document, including a Preliminary Official Statement or Official Statement, is contemplated to be prepared or distributed in connection with the offering of the Bonds. If, however, a Preliminary Official Statement and Official Statement are required by applicable rules and regulations in connection with the offering of the Bonds, the officers of the County, or any of them, are hereby authorized and directed to provide for the preparation and distribution of a Preliminary Official Statement describing the Bonds. The officers of the County, or any of them, are further authorized, if applicable, to make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. Also, to the extent applicable, the officers of the County, or any of them, shall arrange for the delivery to the purchaser of the Bonds of a reasonable number of copies of the Official Statement within seven (7) business days after the Bonds have been sold for delivery, by the purchaser of the Bonds, to each potential investor requesting a copy of the Official Statement and to each person to whom such purchaser and members of his underwriting team initially sell the Bonds.

If and to the extent applicable, the officers of the County, or any of them, are further authorized, on behalf of the County, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been deemed in final form as of its date by the County except for the omission in the Preliminary Official Statement of such pricing and other information.

No Official Statement is required to be prepared if the Bonds, or any series thereof, are purchased by a purchaser that certifies that such purchaser intends to hold the Bonds, or any series thereof, for its own account and has no present intention to reoffer the Bonds, or any series thereof.

Section 11. Refunding Escrow Agreement. With respect to each emission of Bonds, for the purpose of providing for the payment of the principal of and premium, if any, and interest on the Refunded Indebtedness, the County Mayor is hereby authorized to execute and the County Clerk to attest on behalf of the County the Refunding Escrow Agreement with the Refunding Escrow Agent and to deposit with the Refunding Escrow Agent the amounts to be used by the Refunding Escrow Agent to purchase Government Securities, if any; provided, however, that the yield on such investments shall be determined in such manner that none of the Bonds will be an "arbitrage bond" within the meaning of Section 148(a) of the Code. The form of the Refunding Escrow Agreement presented to this meeting and attached hereto as Exhibit C is hereby in all respects approved and the County Mayor and the County Clerk are hereby authorized to execute and deliver same on behalf of the County in substantially the form thereof presented to this meeting, or with such changes as may be approved by the County Mayor and the County Clerk, their execution thereof to constitute conclusive evidence of their approval of all such changes. The Governing Body hereby authorizes the County Mayor to appoint a refunding escrow agent to serve as the Refunding Escrow Agent under the Refunding Escrow Agreement, and the Refunding Escrow Agent so appointed is hereby authorized and directed to hold and administer all funds deposited in trust for the payment when due of principal of and premium, if any, and interest on the Refunded Indebtedness and to exercise such duties as set forth in the Refunding Escrow Agreement. Notwithstanding anything herein to the contrary, if determined by the County Mayor to be in the best interest of the County, proceeds of the Bonds used to refund the Refunded Indebtedness shall be paid directly to the holders (or paying agent for the holders) of the Refunded Indebtedness, and no Refunding Escrow Agreement or Refunding Escrow Agent shall be required.

Section 12. Redemption of the Refunded Indebtedness. The County Mayor and the County Clerk, or either of them, are hereby authorized and directed to take all steps

necessary to redeem the Refunded Indebtedness at their earliest possible redemption date, including the giving of and publication of any redemption notice as required by the resolution(s) authorizing the issuance of the Refunded Indebtedness.

Section 13. Discharge and Satisfaction of Bonds. If the County shall pay and discharge the indebtedness evidenced by any series of the Bonds in any one or more of the following ways, to wit:

(a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the Registration Agent, the principal of and interest on such Bonds as and when the same become due and payable;

(b) By depositing or causing to be deposited with any trust company or financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or similar federal agency and which has trust powers (an "Agent"; which agent may be the Registration Agent) in trust or escrow, on or before the date of maturity or redemption, sufficient money or Defeasance Obligations, as hereafter defined, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Bonds and to pay interest thereon when due until the maturity or redemption date (provided, if such Bonds are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice);

(c) By delivering such Bonds to the Registration Agent for cancellation by it;

and if the County shall also pay or cause to be paid all other sums payable hereunder by the County with respect to such Bonds, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Agent to pay amounts when and as required to the Registration Agent for the payment of principal of and interest on such Bonds when due, then and in that case the indebtedness evidenced by such Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the County to the holders of such Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Defeasance Obligations deposited as aforesaid.

Except as otherwise provided in this Section, neither Defeasance Obligations nor moneys deposited with the Registration Agent pursuant to this Section nor principal or interest payments on any such Defeasance Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and interest on said Bonds; provided that any cash received from such principal or interest payments on such Defeasance Obligations deposited with the Registration Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the County as received by the Registration Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Defeasance Obligations maturing at times and in amounts sufficient to pay when due the principal and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the County, as received by the Registration Agent. For the purposes of this Section, Defeasance Obligations shall mean direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America, which bonds or other obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof.

Section 14. Federal Tax Matters Related to the Bonds.

(a) The Bonds are expected to be issued as federally tax-exempt bonds. In such event, the County hereby covenants that it will not use, or permit the use of, any proceeds of the Bonds in a manner that would cause the Bonds to be subjected to treatment under Section 148 of the Code, and applicable regulations thereunder, as an "arbitrage bond". To that end, the County shall comply with applicable regulations adopted under said Section 148. Also to that end, the County further covenants with the registered owners from time to time of the Bonds that it will, throughout the term of the Bonds and through the date that the final rebate, if any, must be made to the United States in accordance with Section 148 of the Code, comply with the provisions of Sections 103 and 141 through 150 of the Code and all regulations proposed and

promulgated thereunder that must be satisfied in order that interest on the Bonds shall be and continue to be excluded from gross income for federal income tax purposes under Section 103 of the Code. The officers of the County are hereby authorized and directed to comply with the County's Federal Tax Policies and Procedures, if and to the extent applicable, in relation to the Bonds.

(b) The Governing Body hereby delegates to the County Mayor the authority to designate, and determine whether to designate, the Bonds as "qualified tax-exempt obligations," as defined in Section 265 of the Code, to the extent the Bonds are not deemed designated as such and may be designated as such.

(c) The appropriate officers of the County are authorized and directed, on behalf of the County, to execute and deliver all such certificates and documents that may be required of the County in order to comply with the provisions of this Section related to the issuance of the Bonds.

Section 15. Continuing Disclosure. The County hereby covenants and agrees that it will provide annual financial information and event notices if and as required by Rule 15c2-12 of the Securities Exchange Commission for the Bonds. The County Mayor is authorized to execute at the closing of the sale of the Bonds an agreement for the benefit of and enforceable by the owners of the Bonds specifying the details of the financial information and event notices to be provided and its obligations relating thereto. Failure of the County to comply with the undertaking herein described and to be detailed in said closing agreement shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the County to comply with their undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.

Section 16. Resolution a Contract. The provisions of this resolution shall constitute a contract between the County and the registered owners of the Bonds, and after the issuance of the Bonds, no change, variation or alteration of any kind in the provisions of this resolution shall be made in any manner until such time as the Bonds and interest due thereon shall have been paid in full.

Section 17. Separability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section 18. Repeal of Conflicting Resolutions and Effective Date. All other resolutions and orders, or parts thereof in conflict with the provisions of this resolution, are, to the extent of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.

Duly adopted and approved on January 21, 2020.

V. GENERAL PROVISIONS

1. The Issuer understands and acknowledges that the Municipal Advisor or its affiliates may have trading and other business relationships with members of the Issuer's underwriting team or other participants in the proposed transaction including bond counsel, any verification agent, rating agencies, bidding agent and perhaps any registration, paying [escrow agent]. Additionally, the Municipal Advisor or its affiliates may have trading and other business relationships with potential purchasers of the Debt Obligations. These relationships include, but may not be limited to, trading lines, frequent purchases and sales of securities and other engagements through which the Municipal Advisor may have, among other things, an economic interest. Notwithstanding the foregoing, the Municipal Advisor will not receive any compensation with respect to the issuance of the Debt Obligations other than as disclosed in any "Project Amendment". The Municipal Advisor is involved in a wide range of activities from which conflicting interests or duties may arise. Information which is held elsewhere within Raymond James, but of which none of

the Municipal Advisor's personnel involved in the proposed transaction actually have knowledge, will not for any purpose be taken into account in determining the Municipal Advisor's responsibilities to the Issuer.

2. Both parties acknowledge and agree that the Municipal Advisor is acting solely as a Municipal Advisor (aka, as a financial advisor) to the Issuer with respect to the Debt Obligations identified above; Municipal Advisor's engagement by the Issuer is limited to providing municipal advisory services to the Issuer for any Debt Obligations. The Municipal Advisor has not been engaged to compare alternatives to any Debt Obligations. The Municipal Advisor is not a fiduciary of any other party to the transaction. The Municipal Advisor will not (i) provide any assurances that any investment made in connection with the Debt Obligations during its engagement is the best possible investment available for the Issuer's situation or that every possible alternative or provider has been considered and/or solicited, (ii) investigate the veracity of any certifications provided by any party, (iii) provide legal or accounting assurance that any matter or procedure complies with any applicable law, or (iv) be liable to any party if the Debt Obligations or an investment fails to close or for default of same. The Municipal Advisor's engagement terminates upon the expiration of the term of this Agreement as outline herein and the Municipal Advisor shall have no further duties or obligations thereafter.
3. MSRB Rule G-42 requires that Municipal Advisor provide you with disclosures of material conflicts of interest and of information regarding certain legal events and disciplinary history. Such disclosures are provided in Municipal Advisor's Disclosure Statement delivered to the Issuer as Exhibit A to this Master Agreement.
4. The Municipal Advisor agrees to assist the Issuer as provided only on the basis that it is expressly understood and agreed that the Municipal Advisor assumes no responsibility to the Issuer or any person for the accuracy or completeness of any information contained in any "Preliminary Official Statement" or "Final Official Statement" issued in connection with the Debt Obligations.
5. This Master Agreement may be terminated by either party hereto by not less than a forty-five (45) business day prior written notice to the other. In the event of such termination, whether by either party hereto, the Municipal Advisor shall promptly submit for payment, and Issuer shall promptly pay, a final bill for the payment of all unpaid fees and unreimbursed costs and expenses then due and owing. Other than the foregoing, neither party shall incur any liability to the other arising out of the termination of this Master Agreement. However, this Article 5 shall survive any such termination.
6. In the absence of willful misconduct, bad faith, gross negligence or reckless disregard of obligations or duties hereunder on the part of Municipal Advisor or any of its associated persons, Municipal Advisor and its associated persons shall have no liability to the Issuer for any act or omission in the course of, or connected with, rendering services hereunder, or for any error of judgment or mistake of law, or for any loss arising out of any issuance of municipal securities, any municipal financial product or any other investment, or for any financial or other damages resulting from Issuer's election to act or not to act, as the case

may be, contrary to any advice or recommendation provided by Municipal Advisor to Issuer. No recourse shall be had against Municipal Advisor for loss, damage, liability, cost or expense (whether direct, indirect or consequential) of Issuer arising out of or in defending, prosecuting, negotiating or responding to any inquiry, questionnaire, audit, suit, action, or other proceeding brought or received from the Internal Revenue Service in connection with any Obligation or otherwise relating to the tax treatment of any Obligation, or in connection with any opinion or certificate rendered by counsel or any other party. Notwithstanding the foregoing, nothing contained in this paragraph or elsewhere in this Master Agreement shall constitute a waiver by Issuer of any of its legal rights under applicable U.S. federal securities laws or any other laws whose applicability is not permitted to be contractually waived, nor shall it constitute a waiver or diminution of Municipal Advisor's fiduciary duty to the Issuer under Section 15B(c) (1) of the Securities Exchange Act of 1934, as amended, and the rules thereunder.

The parties recognize that Article II, Section 29 of the Tennessee Constitution prohibits cities from lending their credit to private entities. Any provision in the Master Agreement that acts as a hold harmless provision or limitation of liability provision is enforceable only to the extent permitted by Tennessee law.

7. This Master Agreement embodies all the terms, agreements, conditions and rights contemplated and negotiated by the Issuer and the Municipal Advisor, and supersedes any and all discussions and understandings, written or oral, between Issuer and Municipal Advisor regarding the subject matter hereof. Any modifications and/or amendments must be made in writing and signed by both parties.
8. This Master Agreement shall be governed by and construed in accordance with the laws of the State of Tennessee, without reference to its conflicts of law principles.
9. This Master Agreement shall be binding upon and inure to the benefit of the Issuer and Municipal Advisor, their respective successors and permitted assigns; provided however, neither party may assign or transfer any of its rights or obligations hereunder without the prior written consent of the other party.
10. This Master Agreement is made solely for the benefit of the parties and their respective successors and permitted assigns. Nothing in this Master Agreement, express or implied, is intended to confer on any person, other than the parties and their respective successors and permitted assigns, any rights, remedies, obligations or liabilities under or by reason of this Master Agreement.
11. If any section, paragraph or provision of this Master Agreement shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Master Agreement.

12. From the date of its execution, this Master Agreement shall replace any and all existing agreements that may exist in their entirety and any such existing agreements shall be null and void.

IN WITNESS WHEREOF, THE PARTIES HERETO HAVE DULY CAUSED THIS MASTER AGREEMENT to be signed and sealed by their respective authorized officers this ____ day of December 2019.

1. **Scope of Services.** (a) *Services to be provided.* The scope of services with respect to Raymond James's engagement with the Issuer is as provided in the Master Agreement (the "Scope of Services").

(b) *Limitations on Scope of Services.* The Scope of Services is subject to such limitations as may be provided in the Master Agreement.

(c) ***IRMA status.*** If the Issuer has designated Raymond James as its independent registered municipal advisor ("IRMA") for purposes of SEC Rule 15Ba1-1(d)(3)(vi) (the "IRMA exemption"), the Scope of Services is not deemed to be expanded to include all actual or potential issuances of municipal securities or municipal financial products merely because Raymond James, as IRMA, reviews a third-party recommendation relating to a particular actual or potential issuance of municipal securities or municipal financial product not otherwise considered within the Scope of Services. Raymond James is not responsible for verifying that it is independent (within the meaning of the IRMA exemption as interpreted by the SEC) from another party wishing to rely on the exemption from the definition of municipal advisor afforded under the IRMA exemption. Raymond James requests that the Issuer provide to it, for review, any written representation of the Issuer contemplated under SEC Rule 15Ba1-1(d)(3)(vi)(B) that references Raymond James, its personnel and its role as IRMA. In addition, Raymond James requests that the Issuer not represent, publicly or to any specific person, that Raymond James is Issuer's IRMA with respect to any aspect of municipal financial products or the issuance of municipal securities, or with respect to any specific municipal financial product or any specific issuance of municipal securities, not within the Scope of Services without first discussing such representation with Raymond James.

2. **Raymond James's Regulatory Duties When Servicing the Issuer.** MSRB Rule G-42 requires that Raymond James make a reasonable inquiry as to the facts that are relevant to the Issuer's determination whether to proceed with a course of action that forms the basis for and advice provided by Raymond James to the Issuer. The rule also requires that Raymond James undertake a reasonable investigation to determine that it is not basing any recommendation on materially inaccurate or incomplete information. Raymond James is also required under the rule to use reasonable diligence to know the essential facts about the Issuer and the authority of each person acting on the Issuer's behalf.

Accordingly, Raymond James will seek the Issuer's assistance and cooperation, and the assistance and cooperation of Issuer's agents, with the carrying out by Raymond James of these regulatory duties, including providing to Raymond James accurate and complete information and reasonable access to relevant documents, other information and personnel needed to fulfill such duties. In addition, to the extent the Issuer seeks to have Raymond James provide advice with regard to any recommendation made by a third party, Raymond James requests that the Issuer provide to Raymond James written direction to do so as well as any information it has received from such third party relating to its recommendation.

3. **Term.** The term of Raymond James's engagement as municipal advisor and the terms on which the engagement may be terminated are as provided in the Master Agreement.

4. **Compensation.** The form and basis of compensation for Raymond James's services as municipal advisor are as provided in the Master Agreement.

5. **Required Disclosures.** MSRB Rule G-42 requires that Raymond James provide you with the following disclosures of material conflicts of interest and of information regarding certain legal events and disciplinary history.

(a) ***Disclosures of Conflicts of Interest.*** MSRB Rule G-42 requires that municipal advisors provide to their Issuers disclosures relating to any actual or potential material conflicts of interest, including certain categories of potential conflicts of interest identified in Rule G-42, if applicable. If no such material conflicts of interest are known to exist based on the exercise of reasonable diligence by the municipal advisor, municipal advisors are required to provide a written statement to that effect.

Accordingly, Raymond James makes the following disclosures with respect to material conflicts of interest in connection with the Scope of Services under this Master Agreement, together with explanations of how Raymond James addresses or intends to manage or mitigate each conflict. To that end, with respect to all of the conflicts disclosed below, Raymond James mitigates such conflicts through its adherence to its fiduciary duty to the Issuer, which includes a duty of loyalty to the Issuer in performing all municipal advisory activities for the Issuer. This duty of loyalty obligates Raymond James to deal honestly and with the utmost good faith with the Issuer and to act in the Issuer's best interests without regard to Raymond James's financial or other interests. In addition, because Raymond James is a broker-dealer with significant capital due to the nature of its overall business, the success and profitability of Raymond James is not dependent on maximizing short-term revenue generated from individualized recommendations to its Issuers but instead is dependent on long-term profitability built on a foundation of integrity and quality of service. Furthermore, Raymond James's municipal advisory supervisory structure, leveraging our long-standing and comprehensive broker-dealer supervisory processes and practices, provides strong safeguards against individual representatives of Raymond James potentially departing from their regulatory duties due to personal interests. The disclosures below describe, as applicable, any additional mitigations that may be relevant with respect to any specific conflict disclosed below.

Compensation-Based Conflicts. The fees due under this Master Agreement are in a fixed amount established by a "Project Amendment". The amount is usually based upon an analysis by

the Issuer and Raymond James of, among other things, the expected duration and complexity of the transaction and the Scope of Services to be performed by Raymond James. This form of compensation presents a potential conflict of interest because, if the transaction requires more work than originally contemplated, Raymond James may suffer a loss. Thus, Raymond James may recommend less time-consuming alternatives, or fail to do a thorough analysis of alternatives. This conflict of interest is mitigated by the general mitigations described above.

Other Municipal Advisor or Underwriting Relationships. Raymond James is also providing bidding agent or other investment advisory services to the Issuer under a separate engagement and Raymond James will be separately compensated by the Issuer for such services. Raymond James serves a wide variety of other Issuers that may from time to time have interests that could have a direct or indirect impact on the interests of the Issuer. For example, Raymond James serves as municipal advisor to other municipal advisory Issuers and, in such cases, owes a regulatory duty to such other Issuers just as it does to the Issuer under this Master Agreement. These other Issuers may, from time to time and depending on the specific circumstances, have competing interests, such as accessing the new issue market with the most advantageous timing and with limited competition at the time of the offering. In acting in the interests of its various Issuers, Raymond James could potentially face a conflict of interest arising from these competing Issuer interests. In other cases, as a broker-dealer that engages in underwritings of new issuances of municipal securities by other municipal entities, the interests of Raymond James to achieve a successful and profitable underwriting for its municipal entity underwriting Issuers could potentially constitute a conflict of interest if, as in the example above, the municipal entities that Raymond James serves as underwriter or municipal advisor have competing interests in seeking to access the new issue market with the most advantageous timing and with limited competition at the time of the offering. None of these other engagements or relationships would impair Raymond James's ability to fulfill its regulatory duties to the Issuer.

Broker-Dealer and Investment Advisory Business. Raymond James is a broker-dealer and investment advisory firm that engages in a broad range of securities-related activities to service its Issuers, in addition to serving as a municipal advisor or underwriter. Such securities-related activities, which may include but are not limited to the buying and selling of new issue and outstanding securities and investment advice in connection with such securities, including securities of the Issuer, may be undertaken on behalf of, or as counterparty to, the Issuer, personnel of the Issuer, and current or potential investors in the securities of the Issuer. These other Issuers may, from time to time and depending on the specific circumstances, have interests in conflict with those of the Issuer, such as when their buying or selling of the Issuer's securities may have an adverse effect on the market for the Issuer's securities, and the interests of such other Issuers could create the incentive for Raymond James to make recommendations to the Issuer that could result in more advantageous pricing for the other Issuers. Furthermore, any potential conflict arising from Raymond James effecting or otherwise assisting such other Issuers in connection with such transactions is mitigated by means of such activities being engaged in on customary terms through units of Raymond James that operate independently from Raymond James's municipal advisory business, thereby reducing the likelihood that the interests of such other Issuers would have an impact on the services provided by Raymond James to the Issuer under this Master Agreement.

Secondary Market Transactions in Issuer's Securities. Raymond James, in connection with its sales and trading activities, may take a principal position in securities, including securities of the Issuer, and therefore Raymond James could have interests in conflict with those of the Issuer with respect to the value of the Issuer's securities while held in inventory and the levels of mark-up or mark-down that may be available in connection with purchases and sales thereof. In particular, Raymond James or its affiliates may submit orders for and acquire the Issuer's securities issued in an issue under the Master Agreement from members of the underwriting syndicate, either for its own account or for the accounts of its customers. This activity may result in a conflict of interest with the Issuer in that it could create the incentive for Raymond James to make recommendations to the Issuer that could result in more advantageous pricing of the Issuer's bond in the marketplace.

Any such conflict is mitigated by means of such activities being engaged in on customary terms through units of the Raymond James that operate independently from Raymond James's municipal advisory business, thereby reducing the likelihood that such investment activities would have an impact on the services provided by Raymond James to the Issuer under this Master Agreement.

(b) *Disclosures of Information Regarding Legal Events and Disciplinary History.* MSRB Rule G-42 requires that municipal advisors provide to their Issuers certain disclosures of legal or disciplinary events material to its Issuer's evaluation of the municipal advisor or the integrity of the municipal advisor's management or advisory personnel.

Accordingly, Raymond James sets out below required disclosures and related information in connection with such disclosures.

Raymond James discloses the following legal or disciplinary events that may be material to the Issuer's evaluation of Raymond James or the integrity of Raymond James's management or advisory personnel: We are aware of no such events at this time. Should such an event happen in the future, the details of such event would be available in Item 6D(2)(b) and the accompanying Regulatory Action DRP on Form MA-I available at:

<http://www.sec.gov/cgi-bin/browse-edgar?action=getcompany&CIK=0000724743&owner=exclude&count=40&hidefilings=0>.

If any of the above DRPs provides that a DRP has been filed on Form ADV, BD, or U4 for the applicable event, information provided by Raymond James on Form BD or Form U4 is publicly accessible through reports generated by BrokerCheck at <http://brokercheck.finra.org>, and Raymond James's most recent Form ADV is publicly accessible at the Investment Adviser Public Disclosure website at <http://www.adviserinfo.sec.gov>. For purposes of accessing such BrokerCheck reports or Form ADV, Raymond James's CRD number is: 161 59 1905.

Most Recent Change in Legal or Disciplinary Event Disclosure. Raymond James has not made any material legal or disciplinary event disclosures on Form MA or any Form MA-I filed with the SEC.

(c) *Future Supplemental Disclosures.* As required by MSRB Rule G-42, this Section 5 may be supplemented or amended, from time to time as needed, to reflect changed circumstances resulting in new conflicts of interest or changes in the conflicts of interest described above, or to provide updated information with regard to any legal or disciplinary events of Raymond James. Raymond James will provide the Issuer with any such supplement or amendment as it becomes available throughout the term of the Master Agreement.

(d) *MSRB Rule G-10 Required Disclosures.* Raymond James & Associates, Inc. is registered with and subject to the rules and regulations of the U.S. Securities and Exchange Commission (SEC) and the Municipal Securities Rulemaking Board (MSRB). Both the SEC and the MSRB publish websites containing information and resources designed to educate investors. In addition to educational materials about the municipal securities market and municipal securities market data, the MSRB website includes an investor brochure describing protections that may be provided by MSRB rules, including how to file a complaint with the appropriate regulatory authority. _____, 2020

Henry County, Tennessee
Paris, Tennessee
Attention: Brent Greer, County Mayor

**Re: Issuance of General Obligation School Refunding Bonds, Series 2020 in the
Aggregate Approximate Principal Amount of \$2,140,000.**

Dear County Mayor:

The purpose of this engagement letter is to set forth certain matters concerning the services we will perform as bond counsel to Henry County, Tennessee (the "Issuer"), in connection with the issuance of the above-referenced bonds (the "Bonds"). We understand that the Bonds are being issued for the purposes of providing funds necessary to refinance certain outstanding debt of the Issuer and pay costs incident to the sale and issuance of the Bonds. We also understand that the Bonds will be sold at either informal bid or negotiated sale.

SCOPE OF ENGAGEMENT

In this engagement, we expect to perform the following duties:

- (1) Subject to the completion of proceedings to our satisfaction, render our legal opinion (the "Bond Opinion") regarding the validity and binding effect of the Bonds, the source of payment and security for the Bonds, and the excludability of interest on the Bonds from gross income for federal income tax purposes.
- (2) Prepare and review documents necessary or appropriate for the authorization, issuance and delivery of the Bonds, coordinate the authorization and execution of such documents, and review enabling legislation.
- (3) Assist the Issuer in seeking from other governmental authorities such approvals, permissions and exemptions as we determine are necessary or appropriate in connection with the authorization, issuance, and delivery of the Bonds, except that we will not be responsible for any required blue-sky filings.
- (4) Review legal issues relating to the structure of the Bonds; and
- (5) Prepare those sections of the official statement, if any, to be disseminated in connection with the sale of the Bonds involving the description of (i) federal law pertinent to the validity of the Bonds and the tax law treatment thereon, (ii) the terms of the Bonds and (iii) our Bond Opinion.

Our Bond Opinion will be addressed to the Issuer and the purchaser of the Bonds and will be delivered by us on the date the Bonds are exchanged for its purchase price (the "Closing").

The Bond Opinion will be based on facts and law existing as of its date. In rendering our Bond Opinion, we will rely upon the certified proceedings and other certifications of public officials and other persons furnished to us without undertaking to verify the same by independent investigation, and we will assume continuing compliance by the Issuer with applicable laws relating to the Bonds. During the course of this engagement, we will rely on you to provide us with complete and timely information on all developments pertaining to any aspect of the Bonds and their security. We understand that you will direct members of your staff and other employees of the Issuer to cooperate with us in this regard.

Our duties in this engagement are limited to those expressly set forth above. Among other things, our duties do not include:

- a.
 - 1) Assisting in the preparation or review of an official statement or any other disclosure document with respect to the Bonds other than as described in (5) above, or
 - 2) Performing an independent investigation to determine the accuracy, completeness or sufficiency of any such document, or
 - 3) Rendering advice that the official statement or other disclosure documents, if any
 - i) Do not contain any untrue statement of a material fact or
 - ii) Do not omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.
- b. Preparing requests for tax rulings from the Internal Revenue Service, or no action letters from the Securities and Exchange Commission.
- c. Preparing blue sky or investment surveys with respect to the Bonds.
- d. Drafting state constitutional or legislative amendments.
- e. Pursuing test cases or other litigation, (such as contested validation proceedings) except as set forth above.
- f. Making an investigation or expressing any view as to the creditworthiness of the Issuer or the Bonds.
- g. Except for defending our Bond Opinion, representing the Issuer in Internal Revenue Service examinations or inquiries, or Securities and Exchange Commission investigations.
- h. After Closing, providing continuing advice to the Issuer or any other party concerning any actions necessary to assure that interest paid on the Bonds will continue to be excludable from gross income for federal income tax purposes (*e.g.*, our engagement does not include rebate calculations for the Bonds).
- i. Opining on a continuing disclosure undertaking pertaining to the Bonds or, after Closing, providing advice concerning any actions necessary to assure compliance with any continuing disclosure undertaking.

- j. Addressing any other matter not specifically set forth above that is not required to render our Bond Opinion.

ATTORNEY-CLIENT RELATIONSHIP

Upon execution of this engagement letter, the Issuer will be our client and an attorney-client relationship will exist between us. We assume that all other parties will retain such counsel as they deem necessary and appropriate to represent their interests in this transaction. We further assume that all other parties understand that in this transaction we represent only the Issuer, we are not counsel to any other party, and we are not acting as an intermediary among the parties. Our services as bond counsel are limited to those contracted for in this letter; the Issuer's execution of this engagement letter will constitute an acknowledgment of those limitations. In our representation of the Issuer, we will not act as a "municipal advisor," as such term is defined in the Securities Exchange Act of 1934, as amended.

Our representation of the Issuer and the attorney-client relationship created by this engagement letter will be concluded upon issuance of the Bonds. Nevertheless, subsequent to Closing, we will mail the appropriate Internal Revenue Service Form 8038-G, and prepare and distribute to the participants in the transaction a transcript of the proceedings pertaining to the Bonds.

As you are aware, our firm represents many political subdivisions, companies and individuals. It is possible that during the time that we are representing the Issuer, one or more of our present or future clients will have transactions with the Issuer. It is also possible that we may be asked to represent, in an unrelated matter, one or more of the entities involved in the issuance of the Bonds. We do not believe such representation, if it occurs, will adversely affect our ability to represent you as provided in this letter, either because such matters will be sufficiently different from the issuance of the Bonds as to make such representations not adverse to our representation of you, or because the potential for such adversity is remote or minor and outweighed by the consideration that it is unlikely that advice given to the other client will be relevant to any aspect of the issuance of the Bonds.

FEEES

Based upon: (i) our current understanding of the terms, structure, size and schedule of the financing represented by the Bonds; (ii) the duties we will undertake pursuant to this engagement letter; (iii) the time we anticipate devoting to the financing; and (iv) the responsibilities we will assume in connection therewith, our fee will be \$12,000.00. The fee quoted above will include all out-of-pocket expenses advanced for your benefit.

If, for any reason, the financing represented by the Bonds as described in the paragraph above is completed without the delivery of our Bond Opinion as bond counsel or our services are otherwise terminated, we will expect to be compensated at our normal rates for the time actually spent on your behalf plus client charges as described above unless we have failed to meet our responsibilities under this engagement, but in no event will the amount we are paid exceed \$12,000.00.

RECORDS

At your request, papers and property furnished by you will be returned promptly upon receipt of payment for outstanding fees and client charges. All goods, documents, records, and other work product and property produced during the performance of this contract are deemed to be Issuer's property. Our own files, including lawyer work product, pertaining to the transaction will be retained by us for a period of three (3) years and be subject to inspection by Issuer upon reasonable notice.

OTHER MATTERS

We have not retained any persons to solicit or secure this engagement from the Issuer upon an agreement or understanding for a contingent commission, percentage, or brokerage fee. We have not offered any employee of the Issuer a gratuity or an offer of employment in connection with this engagement and no employee has requested or agreed to accept a gratuity or offer of employment in connection with this engagement.

Any modification or amendment to this engagement letter must be in writing, executed by us and contain the signature of the Issuer. The validity, construction and effect of this engagement letter and any and all extensions and/or modifications thereof shall be governed by the laws of the State of Tennessee.

CONCLUSION

If the foregoing terms are not acceptable to you, please so indicate in writing. Otherwise, we look forward to working with you.

The Agent shall also deliver to the County Clerk, within 90 days following the final disposition of funds herefrom, a report summarizing all transactions relating to the Escrow Fund effected during the term thereof.]

(f) Investment of Moneys Remaining in Escrow Fund. The Agent may invest and reinvest any monies remaining from time to time in the Escrow Fund until such time as they are needed. Such monies shall be invested in Government Securities, maturing no later than the next interest payment date of the Outstanding Obligations, or for such periods or at such interest rates as the Agent shall be directed by Written Request, provided, however, that the Issuer shall furnish the Agent, as a condition precedent to such investment, with an opinion from nationally recognized bond counsel stating that such reinvestment of such monies will not, under the statutes, rules and regulations then in force and applicable to obligations issued on the date of issuance of the Refunding Bonds, cause the interest on the Refunding Bonds or the Outstanding Obligations not to be excluded from gross income for Federal income tax purposes and that such investment is not inconsistent with the statutes and regulations applicable to the Refunding Bonds and Outstanding Obligations. Any interest income resulting from reinvestment of monies pursuant to this subsection (f) shall be applied first to the payment of principal of and interest on the Outstanding Obligations to the extent the Escrow is or will be insufficient to retire the Outstanding Obligations as set forth on Exhibit A and any excess shall be paid to the Issuer to be applied to the payment of the Refunding Bonds or the expenses of issuance thereof.

(g) Irrevocable Escrow Created. The deposit of monies, Government Securities, matured principal amounts thereof, and investment proceeds therefrom in the Escrow Fund shall constitute an irrevocable deposit of said monies and Government Securities for the benefit of the holders of the Outstanding Obligations, except as provided herein with respect to amendments permitted under Section IV(a) hereof. All the funds and accounts created and established pursuant to this Agreement shall be and constitute escrow funds for the purposes provided in this Agreement and shall be kept separate and distinct from all other funds of the Issuer and the Agent and used only for the purposes and in the manner provided in this Agreement.

(h) Redemption of Outstanding Bonds. The Agent, as registration and paying agent for the Outstanding Obligations, is authorized and directed to send the notice of redemption of the Outstanding Obligations, substantially in the form of Exhibit C, to the holders of the Outstanding Obligations not less than thirty (30) days prior to the date of their redemption in accordance with the terms of the Outstanding Obligations.

ARTICLE III CONCERNING THE AGENT

(a) Appointment of Agent. The Issuer hereby appoints the Agent as escrow agent under this Agreement.

(b) Acceptance by Agent. By execution of this Agreement, the Agent accepts the duties and obligations as Agent hereunder. The Agent further represents that it has all requisite power, and has taken all corporate actions necessary to execute the escrow hereby created.

(c) Liability of Agent. The Agent shall be under no obligation to inquire into or be in any way responsible for the performance or nonperformance by the Issuer or any paying agent of its obligations, or to protect any of the Issuer's rights under any bond proceedings or any of the Issuer's other contracts with or franchises or privileges from any state, county, Issuer or other governmental agency or with any person. The Agent shall not be liable for any act done or step taken or omitted to be taken by it, or for any mistake of fact or law, or anything which it may do or refrain from doing, except for its own gross negligence or willful misconduct in the performance or nonperformance of any obligation imposed upon it hereunder. The Agent shall not be responsible in any manner whatsoever for the recitals or statements contained herein or in the Outstanding Obligations or in the Refunding Bonds or in any proceedings taken in connection therewith, but they are made solely by the Issuer. The Agent shall have no lien whatsoever upon any of the monies or investments in the Escrow Fund for the payment of fees and expenses for services rendered by the Agent under this Agreement.

The Agent shall not be liable for the accuracy of the calculations as to the sufficiency of Escrow Fund monies and Government Securities and the earnings thereon to pay the Outstanding Obligations. So long as the Agent applies any monies, the Government Securities and the interest earnings therefrom to pay the Outstanding Obligations as provided herein, and complies fully with the terms of this Agreement, the Agent shall not be liable for any deficiencies in the amounts necessary to pay the Outstanding Obligations caused by such calculations. The Agent shall not be liable or responsible for any loss resulting from any investment made pursuant to this Agreement and in full compliance with the provisions hereof.

In the event of the Agent's failure to account for any of the Government Securities or monies received by it, said Government Securities or monies shall be and remain the property of the Issuer in escrow for the benefit of the holders of the Outstanding Obligations, as herein provided, and if for any improper reason such Government Securities or monies are applied to purposes not provided for herein or misappropriated by the Agent, the assets of the Agent shall be impressed with a trust for the amount thereof until the required application of such funds shall be made or such funds shall be restored to the Escrow Fund.

(d) Permitted Acts. The Agent and its affiliates may become the owner of or may deal in the Refunding Bonds or Outstanding Obligations as fully and with the same rights as if it were not the Agent.

(e) Exculpation of Funds of Agent. Except as set forth in subsection (c) hereof, none of the provisions contained in this Agreement shall require the Agent to use or advance its own funds or otherwise incur personal financial liability in the performance of any of its duties or the exercise of any of its rights or powers hereunder. The Agent shall be under no liability for interest on any funds or other property received by it hereunder, except as herein expressly provided.

(f) Payment of Deficiency by Issuer. The Issuer agrees that it will promptly and without delay remit or cause to be remitted to the Agent within ten (10) days after receipt of the Agent's written request, such additional sum or sums of money as may be necessary in excess of the sums provided for under Article II(a) to assure the payment when due of the principal of, premium, if any, and interest on the Outstanding Obligations.

(g) No Redemption or Acceleration of Maturity. The Agent will not pay any of the principal of or interest on the Outstanding Obligations, except as provided in Exhibit A attached hereto and will not redeem or accelerate the maturity of any of the Outstanding Obligations except as provided in Section II hereof.

(h) Qualifications of Agent. There shall at all times be an Agent hereunder that shall be a corporation or banking association organized and doing business under the laws of the United States or any state, authorized under the laws of its incorporation to exercise the powers herein granted, having a combined capital, surplus, and undivided profits of at least \$75,000,000 and subject to supervision or examination by federal or state authority. If such corporation or association publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this paragraph the combined capital, surplus, and undivided profits of such corporation or association shall be deemed to be its combined capital, surplus, and undivided profits as set forth in its most recent report of condition as published. In case at any time the Agent shall cease to be eligible in accordance with the provisions of this section, the Agent shall resign immediately in the manner and with the effect specified herein.

(i) Resignation of Agent. The Agent may at any time resign by giving direct written notice to the Issuer and by giving the holders of the Outstanding Obligations notice by first-class mail of such resignation. Upon receiving such notice of resignation, the Issuer shall promptly appoint a successor escrow agent by resolution of its governing body. If no successor escrow agent shall have been appointed and have accepted appointment within thirty (30) days after the publication of such notice of resignation, the resigning Agent may petition any court of competent jurisdiction located in Henry County, Tennessee for the appointment of a successor, or any holder of the Outstanding Obligations may, on behalf of himself and others similarly situated, petition any such court for the appointment of a successor. Such court may thereupon, after such notice, if any, as it may deem proper, appoint a successor meeting the qualifications set forth in Article III(h). The Agent shall serve as escrow agent hereunder until its successor shall have been appointed and such successor shall have accepted the appointment.

(j) Removal of Agent. In case at any time the Agent shall cease to be eligible in accordance with the provisions of Section III hereof and shall fail to resign after written request therefor by the Issuer or by any holder of the Outstanding Obligations, or the Agent shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Agent or any of its property shall be appointed, or any public officer shall take charge or control of the Agent or its property or affairs for the purpose of rehabilitation, conservation, or liquidation, then in any such case, the Issuer may remove the Agent and appoint a successor by resolution of its governing body or any such bondholder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction situated in the Issuer for the removal of the Agent and the appointment of a successor. Such court may thereupon, after such notice, if any, as it may deem proper, remove the Agent and appoint a successor who shall meet the qualifications set forth in Article III(h). Unless incapable of serving, the Agent shall serve as escrow agent hereunder until its successor shall have been appointed and such successor shall have accepted the appointment.

The holders of a majority in aggregate principal amount of all the Outstanding Obligations at any time outstanding may at any time remove the Agent and appoint a successor by an instrument or concurrent instruments in writing signed by such bondholders and presented, together with the successor's acceptance of appointment, to the Issuer and the Agent.

Any resignation or removal of the Agent and appointment of a successor pursuant to any of the provisions of this Agreement shall become effective upon acceptance of appointment by the successor as provided in Article III(k) hereof.

(k) Acceptance by Successor. Any successor escrow agent appointed as provided in this Agreement shall execute, acknowledge and deliver to the Issuer and to its predecessor an instrument accepting such appointment hereunder and agreeing to be bound by the terms hereof, and thereupon the resignation or removal of the predecessor shall become effective and such successor, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor, with like effect as if originally named as Agent herein; but, nevertheless, on Written Request of the Issuer or the request of the successor, the predecessor shall execute and deliver an instrument transferring to such successor all rights, powers and escrow property of the predecessor. Upon request of any such successor, the Issuer shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor all such rights, powers and duties. No successor shall accept appointment as provided herein unless at the time of such acceptance such successor shall be eligible under the provisions of Article III(h) hereof.

Any corporation into which the Agent may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Agent shall be a party, or any corporation succeeding to the business of the Agent, shall be the successor of the Agent hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding, provided that such successor shall be eligible under the provisions of Article III(h) hereof.

(l) Payment to Agent. The Issuer agrees to pay the Agent, as reasonable and proper compensation under this Agreement, the sum of \$_____, payable on the date hereof. The Agent shall be entitled to reimbursement of all advances, counsel fees and expenses, and other costs made or incurred by the Agent in connection with its services and/or its capacity as Agent or resulting therefrom. In addition, the Issuer agrees to pay to the Agent all out-of-pocket expenses and costs of the Agent incurred by the Agent in the performance of its duties hereunder, including all publication, mailing and other expenses associated with the redemption of the Outstanding Obligations; provided, however, that the Issuer agrees to indemnify the Agent and hold it harmless against any liability which it may incur while acting in good faith in its capacity as Agent under this Agreement, including, but not limited to, any court costs and attorneys' fees, and such indemnification shall be paid from available funds of the Issuer and shall not give rise to any claim against the Escrow Fund.

ARTICLE IV MISCELLANEOUS

(a) Amendments to this Agreement. This Agreement is made for the benefit of the Issuer, the holders from time to time for the Outstanding Obligations, and it shall not be repealed, revoked, altered or amended without the written consent of all such holders, the Agent and the Issuer; provided, however, that the Issuer and the Agent may, without the consent of, or notice to, such holders, enter into such agreements supplemental to this Agreement as shall not adversely affect the rights of such holders and as shall not be inconsistent with the terms and provisions of this Agreement, for any one or more of the following purposes:

- (1) to cure any ambiguity or formal defect or omission in this Agreement;
- (2) to grant to, or confer upon, the Agent for the benefit of the holders of the Outstanding Obligations, any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such holders or the Agent; and
- (3) to subject to this Agreement additional funds, securities or properties.

The Agent shall be entitled to rely exclusively upon an unqualified opinion of nationally recognized bond counsel with respect to compliance with this Section, including the extent, if any, to which any change, modification, addition or elimination affects the rights of the holders of the Outstanding Obligations, or that any instrument executed hereunder complies with the conditions and provisions of this Section.

Notwithstanding the foregoing or any other provision of this Agreement, upon Written Request and upon compliance with the conditions hereinafter stated, the Agent shall have the power to and shall, in simultaneous transactions, sell, transfer, otherwise dispose of or request the redemption of the Government Securities held hereunder and to substitute therefor direct obligations of, or obligations the principal of and interest on which are fully guaranteed by the United States of America, subject to the condition that such monies or securities held by the Agent shall be sufficient to pay principal of and interest on the Outstanding Obligations. The Issuer hereby covenants and agrees that it will not request the Agent to exercise any of the powers described in the preceding sentence in any manner which will cause the Refunding Bonds to be arbitrage bonds within the meaning of Section 148 of the Code in effect on the date of such request and applicable to obligations issued on the issue date of the Refunding Bonds. The Agent shall purchase such substituted securities with the proceeds derived from the maturity, sale, transfer, disposition or redemption of the Government Securities held hereunder or from other monies available. The transactions may be effected only if there shall have been submitted to the Agent: (1) an independent verification by a nationally recognized independent certified public accounting firm concerning the adequacy of such substituted securities with respect to principal and the interest thereon and any other monies or securities held for such purpose to pay when due the principal of and interest on the Outstanding Obligations in the manner required by the proceedings which authorized their issuance; and (2) an opinion from nationally recognized bond counsel to the effect that the disposition and substitution or purchase of such securities will not, under the statutes, rules and regulations then in force and applicable to obligations issued on the date of issuance of the Refunding Bonds, cause the interest on the Refunding Bonds not to be exempt from Federal income taxation. Any surplus monies resulting from the sale, transfer, other disposition or redemption of the Government Securities held hereunder and the substitutions therefor of direct obligations of, or obligations the principal of and interest on which is fully guaranteed by, the United States of America, shall be released from the Escrow Fund and shall be transferred to the Issuer.

(b) Severability. If any provision of this Agreement shall be held or deemed to be invalid or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

(c) Governing Law. This Agreement shall be governed and construed in accordance with the law of the State of Tennessee.

(d) Notices. Any notice, request, communication or other paper shall be sufficiently given and shall be deemed given when delivered or mailed by Registered or Certified Mail, postage prepaid, or sent by telegram as follows:

To the Issuer:

Henry County, Tennessee
P.O. Box 7
Paris, Tennessee 38242
Attn: County Mayor

To the Agent:

Attn: _____

The Issuer and the Agent may designate in writing any further or different addresses to which subsequent notices, requests, communications or other papers shall be sent.

(e) Agreement Binding. All the covenants, promises and agreements in this Agreement contained by or on behalf of the parties shall bind and inure to the benefit of their respective successors and assigns, whether so expressed or not.

(f) Termination. This Agreement shall terminate when all transfers and payments required to be made by the Agent under the provisions hereof shall have been made.

(g) Execution by Counterparts. This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as one original and shall constitute and be but one and the same instrument.

(signature page follows)

IN WITNESS WHEREOF, the Issuer and the Agent have caused this Agreement to be executed all as of the day and date first above written.

Re: Henry County Refunding Plan - 2020

Dear Ms. Thompson:

For your review, consideration and action, we have prepared a refunding report entitled “Henry County Refunding Plan – 2020” (the “Plan”). This Plan is being delivered to you to comply with applicable sections of Title 9, Chapter 21, Parts 1, 2 and 9, Tennessee Code Annotated (the “Act”) pertaining to the proposed sale and issuance of General Obligation School Refunding Bonds, Series 2020 (the “Bonds”) of Henry County, Tennessee (the “County”). The County is seeking a “Report on the Review of the Plan” from your office consistent with the provisions of the Act.

As our Municipal Advisor, Raymond James & Associates, Inc. (“Raymond James”) has provided us assistance in the development and preparation of the Plan including the associated schedules and exhibits. Rick Dulaney and Elizabeth Zuelke are serving as our Raymond James representatives. They are specifically authorized to discuss this transaction with you and the staff on our behalf. Their contact information and a list of all other key participants established up to this point is attached as a separate attachment (Exhibit II) for your convenience.

	✓ <u>No</u> extension of debt.

Interest Rate Swaps; Consistency with Established County Debt Policy and Practices

There are no interest rate swaps or other hedging instruments in place pertaining to the Refunded Bonds.

The County has adopted a formal debt policy (the “Policy”) in compliance with State requirements. The goals and objectives of this Plan are consistent with the Policy. For example, the proposed refunding is being pursued with the objective of achieving net present value savings greater than 3.00% of refunded principal. Additionally, financial professionals will have written agreements and all official meetings will be fully advertised.

Pursuant to Section 9-21-134 et seq., Tennessee Code Annotated (the “Act”), the proposed projected amortization pattern appears to be consistent with the definition of “balloon indebtedness” since it utilizes a “uniform savings” solution designed to:

1. Mirror the current debt service pattern; and
2. Evenly distribute savings over the remaining life of the transaction.

For the foregoing reasons, we request your approval of this transaction pursuant to the Act.

Ms. Sandra Thompson, Director

December 26, 2019

Page 3 of 4

Security Pledged

The Bonds are payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of principal of and interest on the Bonds, the full faith and credit of the County are irrevocably pledged. The Bonds are additionally payable from and secured by certain School Board Sales Tax Revenues (as such term is defined in the Resolution), in an amount not to exceed \$122,000 per fiscal year, subject to the prior pledge of such School Board Tax Revenues, in an aggregate amount not to exceed \$600,000 per fiscal year to the Prior Lien Bonds.

["School Board Sales Tax Revenues" means revenues received or to be received by the Henry County Board of Education from its share of the three quarter cent (3/4¢) sales and use tax increase levied and collected pursuant to Sections 67-6-712(a)(1) et seq., Tennessee Code Annotated, pursuant to Resolution No. 2683 adopted by the Governing Body on June 20, 1983 and referendum of the voters on August 4, 1983, and as approved pursuant to the School Board Resolution.]

Purpose of the Refinancing

Consistent with the County's Policy, the Refunded Bonds will be refinanced to achieve net present value debt service savings of not less than 3% of refunded principal through a traditional "high-to-low" interest rate refunding (i.e., the purpose is an economic refunding for cost savings). As part of this strategy, the transaction is designed to strengthen the overall financial position of the County. The existing amortization periods for the Refunded Bonds will not be extended beyond their originally established dates scheduled of May 1, 2026.

Market Rates; Negotiated Sale; Refunding Escrow; Other

Exhibit IV included in the required attachments to this Plan outlines the projected structure and rates based upon current market conditions for similarly structured, fixed rate debt. Accordingly, rates and yields (see Exhibit IV of the Plan) carry projections based on those assumptions which reflect a "snapshot" of current estimated market conditions as of their dated date.

In order to try and achieve these targeted rates and yields, mitigate uncertainties associated with the capital markets and address the size and structure, permission is requested to negotiate the sale of the Bonds through "informal bidding" among local financial institutions handled by our Municipal Advisor so that the sale can be arranged and conducted in a timely manner to address the unusual volatility that exists in the capital markets today. In order to preserve such flexibility, the County has concluded that such a negotiated sale is feasible and in its best interests and is necessary in order to achieve its objectives. The County will be able to amortize the Bonds together with all its other outstanding indebtedness.

A negotiated sale of the Bonds is feasible and in the best interest of the County because (1) the proposed financing is a refunding, (2) timing is critical to the ability to achieve savings; and (3) the size, structure and length of the transaction makes it inefficient for a traditional capital markets transaction.

If the Bond sale proceeds as anticipated, then proceeds from the transaction will be used to retire the Refunded Bonds in whole or in part on their first optional redemption dates of May 1, 2020. Since the Refunded Bonds are a current refunding, there may not be an irrevocable escrow established and held by the Escrow Agent. If an escrow is employed then the net proceeds from the Bonds together with other available dollars, if any, will be invested in U.S. Treasury Obligations - State and Local Series ("SLGS").

Re: Henry County Request for Approval Pursuant to Section 9-21-134 et seq., Tennessee Code Annotated

Dear Ms. Thompson:

For your review, consideration and action, we have prepared this request pursuant to the adopted State Funding Board Guidelines relating to Section 9-21-134 et seq., Tennessee Code Annotated (the “Act”). This request is being delivered to you pertaining to the proposed sale and issuance of General Obligation School Refunding Bonds, Series 2020 (the “Bonds”) of Henry County, Tennessee (the “County”). The County is seeking approval of this request consistent with the provisions of the Act.

The proposed projected amortization pattern appears to be consistent with the definition of “balloon indebtedness” since it utilizes a modified “wrap” solution designed to:

3. Minimize the length of the amortization schedule;
4. Efficiently uses all dedicated and new revenue sources; and
5. Preserves funding options from future school projects.

Our Municipal Advisor, Raymond James & Associates, Inc. (“Raymond James”) has provided us assistance in the development and preparation of this request including the associated exhibit. Rick Dulaney and Elizabeth Zuelke are our representatives from Raymond James and they are specifically authorized to discuss this transaction with you and the staff on our behalf.

The following is a detailed description of the proposed debt issuance:

1. Security – The Bonds shall be payable from and secured by unlimited ad valorem taxes to be levied on all taxable property within the County. The Bonds shall be additionally payable from School Board Sales Tax Revenues which are pledged to the payment of principal of and interest

on the Bonds, subject to the prior pledge of such School Board Sales Tax Revenues, in favor of the Prior Lien Bonds.

2. Series 2010 Refinanced – The Bonds will be used to refund the existing General Obligation High School Bonds, Series 2010, and payment of costs incurred in connection with the issuance and sale of the Bonds. The Series 2010 issue was structured with the same pattern as we are proposing to execute for the 2020 issue, and it is in the public's interest to refund the 2010 issue and reduce debt service payments.
3. Authority – The Bonds will be issued using the statutory authority of Title 49, Section 3, Part 1001 and Title 9, Section 21, Parts 1 and 2, Tennessee Code Annotated as supplemented and amended and a resolution adopted by the Henry County Commission.
4. Amortization Schedule – The purpose of the financing is to reduce the County's debt service payment and maintain an overall level debt service pattern.
5. Public Interest – The sale and issuance of the Bonds will strengthen the overall financial position of the County and provide for efficient future administration of its overall debt portfolio. According, this transaction and the proposed amortization schedule are in the best interest of the citizens of the County.
6. Other Relevant Documents – Please see the draft amendment to the County's current Debt Management Plan.

For the foregoing reasons, we request your approval of this transaction pursuant to the Act. Once approval of this request has been received from your office, the Board of Commissioners of the County (the "Governing Body") will consider a formal detailed resolution authorizing the sale and issuance of the Bonds at their regular, rescheduled meeting on Tuesday, January 21, 2020 at 5:00 p.m., CT. The Governing Body's agenda deadline is January 14, 2020 at noon.

If you have any questions or need any additional information with respect to this request, please do not hesitate to contact me or Raymond James at your earliest convenience.

Sincerely,

Brent Greer
County Mayor

Honorable Brent Greer, Mayor
and Honorable Board of Commissioners
Henry County
P.O. Box 7
Paris, TN 38242

Dear Mayor Greer and Members of the Board:

Henry County (the "County") submitted a request to our office on January 6, 2020, for the approval of a plan of balloon indebtedness (the "Plan"), to issue an estimated \$2,085,000 General Obligation High School Refunding Bonds, Series 2020 (the "Series 2020 Refunding Bonds"). The proceeds of the Series 2020 Refunding Bonds will be used to current refund \$2,010,000 General Obligation School Bonds, Series 2010, (the "Series 2010 Bonds").

Balloon Indebtedness

The Series 2010 Bonds were originally issued to finance school construction and had a 16-year maturity schedule that constituted balloon indebtedness. The issuance of the Series 2020 Refunding Bonds will refund the prior balloon indebtedness with a principal maturity structure similar to that of the Series 2010 Bonds. Pursuant to the proposed repayment structure for the Series 2020 Refunding Bonds, the County will repay 85% of the total principal amount in the final two years of a six-year maturity schedule. This structure constitutes balloon indebtedness as defined by state statute because it is not substantially level or declining throughout the life of the debt.

The County stated in its Plan that issuing this debt as balloon indebtedness will generate debt service savings which is in the public's interest.

Approval

The comptroller of the treasury or the comptroller's designee shall evaluate each plan of balloon indebtedness based on the plan's particular circumstances and shall approve the plan only if a determination is made that the repayment structure is in the public's interest. Based on the review of the Plan in accordance with statute, the Plan is approved.

Honorable Brent Greer, Mayor
and Honorable Board of Commissioners
Henry County
P.O. Box 7
Paris, TN 38242

Dear Mayor Greer and Members of the Board:

This letter, report and plan of refunding (the "Plan") are to be published and posted on the website of Henry County (the "County"). Please provide a copy of the letter, report, and Plan to each Commissioner for review at the public meeting for the adoption of the refunding bond authorizing resolution.

We acknowledge receipt on December 27, 2019, of a request from the County to review its plan for the issuance of an estimated \$2,085,000 General Obligation High School Refunding Bonds, Series 2020 (the "Series 2020 Refunding Bonds").

Pursuant to the provisions of Tennessee Code Annotated Title 9 Chapter 21, a plan must be submitted to our office for review. The information presented in the Plan includes the assertions of the County and may not reflect either current market conditions or market conditions at the time of sale.

Financial Professionals

The Plan was prepared by the County with the assistance of its municipal advisor, Raymond James & Associates, Inc. Municipal advisors have a fiduciary responsibility to the County. Underwriters have no fiduciary responsibility to the County. They represent the interests of their firm and are not required to act in the County's best interest without regard to their own or other interests.

Compliance with the County's Debt Management Policy

The County provided a copy of its debt management policy and within forty-five (45) days of issuance of the debt approved in this letter is required to submit a Report on Debt Obligation that indicates that debt issued complies with the County's debt policy. If the County amends its policy, please submit the amended policy to this office.

Plan of Refunding

The County intends to negotiate the sale of approximately \$2,085,000 Series 2020 Refunding Bonds priced at par to current refund \$2,010,000 General Obligation School Bonds, Series 2010, dated January 22, 2010, maturing through May 1, 2026.

Private Negotiated Sale Approval

The County requested approval to sell its refunding bonds through a negotiated sale. This letter constitutes approval for the County to negotiate the sale of the Series 2020 Refunding Bonds, conditioned upon the requirement that the bonds are sold with the same principal repayment schedule as presented in the plan or the principal repayment schedule is accelerated.

Report of the Review of a Plan of Refunding

The enclosed report must be presented to the County Commission for review prior to the adoption of a refunding bond authorizing resolution.

The enclosed report does not constitute approval or disapproval for the plan or a determination that a refunding is advantageous or necessary nor that any of the outstanding obligations should be called for redemption on the first or any subsequent available redemption date or remain outstanding until their respective dates of maturity.

The enclosed report is effective for a period of ninety (90) days from the date of the report. If the refunding bonds have not been sold during the ninety (90) day period, a new plan of refunding, with new analysis and estimates based on market conditions at that time, must be submitted to this office. We will then issue a report on the new plan for the County Commission to review prior to adopting a new refunding bond authorizing resolution.

This letter and the enclosed report do not address compliance with federal tax regulations and are not to be relied upon for that purpose. The County should discuss these issues with a bond counsel.

Required Notification

We recognize that the information provided in the Plan submitted to our office is based on preliminary analysis and estimates and that actual results will be determined by market conditions at the time of sale. However, if it is determined prior to the issuance of the debt, that the actual results will significantly differ from the information provided in the submitted Plan and the County decides to proceed with the issue, the County Commission and our office should be notified after the sale by either the Chief Executive Officer or the Chief Financial Officer of the local government regarding these differences, and that the Chief Executive Officer was aware of the differences and determined to proceed with the issuance of the debt.

Notification will be necessary only if there is a change of ten percent (10%) or more in any of the following:

- (1) An increase in the principal amount of the debt issued;
- (2) An increase in costs of issuance; or
- (3) A decrease in the cumulative savings or increase in the loss.

The notification must include an explanation for any significant differences and the justification for change of ten percent (10%) or more from the amounts in the plan. This notification should be presented to the County Commission and our office with the required filing of the Report on Debt Obligation, Form CT-0253.

Municipal Securities Rulemaking Board (MSRB) – Required Disclosure

Local governments that issue municipal securities on or after February 27, 2019, should be aware that the Securities and Exchange Commission (SEC) adopted amendments to Rule 15c2-12 of the Securities Exchange Act that require reporting on material financial obligations that could impact an issuer's financial condition or security holder's rights. The amendments add two events to the list of events that must be included in any continuing disclosure agreement that is entered into after the compliance date:

- Incurrence of a financial obligation of the issuer or obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the issuer or obligated person, any of which affect security holders, if material; and
- Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of the financial obligation of the issuer or obligated person, any of which reflect financial difficulties.

To learn how to report these new disclosures please refer to the MSRB's Electronic Municipal Market Access EMMA® website (emma.msrb.org).

Municipal Securities Rulemaking Board (MSRB) Rule G-17

MSRB Rule G-17 requires underwriters and municipal advisors to deal fairly with the County in the conduct of its municipal securities or municipal advisory activities. The Securities and Exchange Commission approved MSRB Notice 2012-25 on the duties of underwriters to issuers of municipal securities on May 4, 2012. On August 2, 2012, this interpretive notice to MSRB Rule G-17 on fair dealing became part of federal securities law and underwriters are required to comply with its provisions.

These duties fall into three areas:

- statements and representations to issuers;
- disclosures to issuers; and
- financial aspects of underwriting transactions.

To learn more about the obligations of the County's underwriter (if applicable) and municipal advisor, please read the information posted on the MSRB website: www.msrb.org.

Report on Debt Obligation

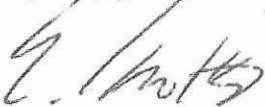

We are enclosing a Report on Debt Obligation, Form CT-0253. Pursuant to T.C.A. § 9-21-151, this form is to be completed and filed with the governing body of the County no later than forty-five (45) days after the issuance of this debt, with a copy (including attachments, if any) filed with the Director of the Division of Local Government Finance by mail to the address on this letterhead or by email to LGF@cot.tn.gov. No public entity may enter into additional debt if it has failed to file the Report on Debt Obligation. **REPORT OF THE DIRECTOR OF THE DIVISION OF LOCAL GOVERNMENT FINANCE
CONCERNING THE PROPOSED ISSUANCE OF
GENERAL OBLIGATION HIGH SCHOOL REFUNDING BONDS, SERIES 2020
HENRY COUNTY, TENNESSEE**

Henry County (the "County") submitted a plan of refunding (the "Plan"), as required by TCA § 9-21-903 regarding the issuance of an estimated \$2,085,000 General Obligation High School Refunding Bonds, Series 2020 (the "Series 2020 Refunding Bonds").

The Plan was prepared with the assistance of the County's municipal advisor, Raymond James & Associates, Inc. The assumptions of the plan are the assertions of the County. An evaluation of the preparation, support and underlying assumptions of the Plan has not been performed by this office. This report provides no assurances of the reasonableness of the underlying assumptions. This report must be presented to the governing body prior to the adoption of a refunding bond resolution. The County provided a copy of its debt management policy.

Balloon Indebtedness

The County determined the structure of the Series 2020 Refunding Bonds presented in the Plan is balloon indebtedness and therefore, submitted a separate request for approval of a plan of balloon indebtedness in conjunction with its request for the review of the Plan. Approval of the Director of the Division of Local Government Finance is required prior to the County adopting the resolution authorizing the issuance of balloon indebtedness.

The County's plan of balloon indebtedness was approved by our office in a separate letter dated January 10, 2020.

Plan of Refunding

The County intends to negotiate the sale of approximately \$2,085,000 Series 2020 Refunding Bonds priced at par to current refund \$2,010,000 General Obligation School Bonds, Series 2010, dated January 22, 2010, maturing through May 1, 2026 (the "Series 2010 Bonds").

County's Proposed Refunding Objective

The Series 2020 Refunding Bonds are being issued to achieve net present value debt service savings.

Refunding Analysis

- Results of the refunding assume that the County intends to sell \$2,085,000 Series 2020 Refunding Bonds by negotiated sale and priced at par.
- The estimated net present value debt service savings is \$151,074 or 7.52% of the refunded principal amount of \$2,010,000, achieved by lowering the average coupon from 4.07% for the Series 2010 Bonds to 2.05% for the Series 2020 Refunding Bonds.
- The final maturity of the Series 2020 Refunding Bonds does not extend beyond the final maturity of the Series 2010 Bonds.

- Estimated cost of issuance for the Series 2020 Refunding Bonds is \$36,500 or \$17.51 per \$1,000 of the par amount. See Table 1 for individual costs of issuance.

Table 1
Costs of Issuance
Series 2020 Refunding Bonds

	Amount	Price per \$1,000 Bond
Municipal Advisor (Raymond James)	\$ 24,500	\$ 11.75
Bond Counsel (Bass Berry & Sims)	12,000	5.76
Total Cost of Issuance	\$ 36,500	\$ 17.51

The County has indicated that Raymond James & Associates, Inc. is its municipal advisor. Municipal advisors have a fiduciary responsibility to you, the issuer. Underwriters have no fiduciary responsibility to you. They represent the interests of their firm.

This report of the Division of Local Government Finance does not constitute approval or disapproval by the office for the Plan or a determination that a refunding is advantageous or necessary nor that any of the refunded obligations should be called for redemption on the first or any subsequent available redemption date or remain outstanding until their respective dates of maturity. This report is based on information as presented in the Plan by the County. The assumptions included in the County's Plan may not reflect either current market conditions or market conditions at the time of sale.

If all the Series 2010 Bonds are not refunded as a part of the Series 2020 Refunding Bonds, and the County wishes to refund them in a subsequent bond issue, then a new plan will have to be submitted to this office for review.

This report is effective for a period of ninety (90) days from the date of the report. If the refunding transaction has not been priced during this ninety (90) day period, a new plan of refunding, with new analysis and estimates based on market conditions at that time, must be submitted to this office.

NARRATIVE INFORMATION --- VISUAL INSPECTION

- A. **Field Inspectors:** The assessor's office will utilize trained, competent field personnel to measure and list all types of improvements in the field. Assistance may be requested from the Division of Property Assessments (DPA) upon encountering any special or unique improvements where additional expertise is needed.
- B. **Training Recommended:** The assessor's office will participate in DPA, CTAS, and/or TnAAO seminars, workshops, and courses relating to current procedures and valuation of properties.
- C. **Quarterly Progress Reports:** The assessor's office will provide a quarterly progress report to the DPA that accurately documents progress achieved during the reporting period. This report will show the number of parcels reviewed, current data entry status, and a listing of the maps that have been reviewed.
- D. **Accuracy of All Attributes:** Both land and improvements will be reviewed on every parcel during the review phase for accuracy and completeness. This includes the physical attributes of the land, such as topography, and tree lines that may have changed since the last inspection cycle.
- E. **Changes to Parcels:** Any new structures, additions, and remodeling will be keyed in the current file to maintain fairness and equity among all property owners. Changes held until reappraisal or future years, if any, will be nominal in nature. Review will be considered complete when changes have been entered into the CAMA system.
- D. **Geographic Areas Assigned:** Annual visual inspection of parcels are defined for each year in this report. The inspection of all rural, urban, commercial and exempt properties will be completed by the end of the cycle explained within this report.
- F. **Map Maintenance Schedule and Explanations:** Map maintenance will be worked on a daily basis, with the CAMA file being current at all times. Sales verification procedures will comply with procedures outlined in current publications of the DPA.

G. **Use of Aerial Photography for Review:** Maps may be reviewed using a combination of on-site inspection and aerial photography and/or oblique imagery for all attributes of the parcels, provided that the outcome will result in accurate assessments. On-site field review will be utilized when accurate information cannot be ascertained from the aerial and/or oblique imagery.

H. **Quality Assurance Efforts Planned:** Quality of work for visual review and data entry will be maintained by the assessor. All field review work and data entry will be subjected to quality control measures by a staff member in the office who did not complete the initial work. Additionally, assessment summaries and other tools within the CAMA system will be reviewed on a regular basis to identify any irregularities in value which may indicate significant errors.

NARRATIVE INFORMATION – REVALUATION YEAR

A. **Personnel Needs:** The assessor's office will ensure that staff adequate in quantity and training will be available to perform the functions necessary to complete a timely and acceptable revaluation program. Where additional expertise is needed, the assessor's office may request assistance from the DPA while understanding that existing DPA workload may limit the amount of resources available during the revaluation year. It is further understood that DPA assistance will generally be prioritized first for 6- and 5-year reappraisal cycle counties and lastly for 4-year reappraisal cycle counties.

B. **Office Space and Equipment Needs:** Adequate office supplies and necessary equipment for the assessor's office will be planned and budgeted for so that a timely and acceptable revaluation program can be completed.

C. **Use of Aerial Photographs / Oblique Imagery:** Aerial photography and/or oblique imagery will be utilized to review and update location, access, land grades, improvements, tree lines, acreage, etc. Additional tools that integrate CAMA data into geographic information systems (GIS) will also be used to evaluate and update the consistency of improvement types, land tables, NBHD codes, etc.

D. **Assistance of Division of Property Assessments:** Technical support in developing base rates (base house, commercial improvement types, etc.), OBY rates, small tract valuation tables, market and use farm schedules, and commercial and industrial property valuation may be requested from the DPA while understanding the constraints as mentioned in section A above.

E. **Development of Sales File:** Sales data will be entered into the CAMA system in a timely manner to ensure the most relevant, accurate information is available for revaluation purposes. It is understood and acknowledged that ninety (90) days from the date of recording should be considered the maximum amount of time for sales data entry. The assessor's office will make reasonable efforts to minimize the number of days that elapse between the recording of deeds and sales data entry during the revaluation year.

F. **Neighborhood Codes:** Neighborhood codes will be checked for consistency and delineated in a manner that is reasonable for mass appraisal purposes.

G. Improvement Valuation:

1. Base Rate Development: Residential improvement values (base house) will be based on the most current market derived data available. Commercial rates will be derived from Marshall & Swift Valuation Service and adjusted for the local market.
2. Out Building and Yard Items: OBY costs and depreciation tables will be derived from Marshall & Swift Valuation Service. If the local market dictates a deviation from the published cost data, sufficient evidence will be collected and maintained to support such a deviation.
3. Collection & Use of Income & Expense Information: Questionnaires will be sent to selected income producing properties during the revaluation year for use in property valuation and appeals.
4. Quality Assurance Efforts: The quality of work completed by field personnel and data entry staff will be reviewed and monitored on a regular basis by the assessor or senior staff. In addition, assessment summaries will be monitored for any irregularities.

H. Land Valuation:

1. Rural Land & Use Value: Market value schedules with any necessary size and location adjustments will be developed by the assessor with DPA assistance as needed. Use value schedules will be developed by the DPA pursuant to current state law.
2. Unit of Measure Tables: UM tables will be used to value residential land from 0 to 14.99 acres (small tracts). DPA assistance may be requested.
3. Commercial & Industrial: Commercial/industrial land, whether urban or rural, will be reviewed and revalued according to current market data. DPA assistance may be requested.
4. Quality Control: The assessor will conduct quality control at all times with a review of randomly selected parcels. Statistical analysis will be utilized to identify outliers and to ensure standard statistical measures are achieved.

- I. Mineral and/or Leaseholds:** Applicable questionnaires will be mailed to identified properties in the revaluation year by the assessor's office. DPA assistance in the valuation of leaseholds or mineral interests may be requested.

J. **Valuation Analysis:** Statistical analysis will be performed by the DPA to ensure final statistics fall within acceptable standards in all categories of properties. Final value correlation will consider all approaches to value with the most applicable being utilized in each instance where sufficient data exists.

K. **Mapping and Ownership:** Mapping and ownership information will be kept as current as reasonably possible during the revaluation year understanding the importance of timely information during revaluation.

L. **New Construction:** New improvements and/or remodeling will be kept as current as reasonably possible during the revaluation year with emphasis on (including, but not limited to): effective year built (EYB) or condition, proration, and accurate OBY data.

M. **Final Value Meeting:** A final value meeting between the assessor's office and the DPA will address all aspects of revaluation. The final analysis will be based upon standard statistical measures of performance. It is understood and acknowledged that the DPA must approve the final product of the revaluation effort.

N. **Hearings** (Formal and Informal): The assessor's staff will be responsible for informal hearings, and it is understood and acknowledged that DPA assistance for informal hearings cannot be guaranteed. Assistance with formal hearings may be requested from the DPA by submitting such requests on a parcel-by-parcel basis directly to the DPA assistant director for field operations.

RESOLUTION NO. 8-1-20

A RESOLUTION OF THE HENRY COUNTY, TENNESSEE BOARD OF COMMISSIONERS TO APPROVE SUPPORT OF STATE LEGISLATION (HB1175 AND SB1469) WHICH DIRECTS TENNCARE TO REIMBURSE GROUND AMBULANCE PROVIDERS AT A RATE NOT LESS THAN THE CURRENT MEDICARE FEE SCHEDULE AND ADDING FUNDING TO THE 2020-2021 STATE BUDGET

WHEREAS, with the growth of our great state and the need for more and more services of all kinds, especially emergency medical services and the continuing rising costs of medical care, our agencies are constantly searching for more resources; and

WHEREAS, more rural hospitals are being closed and community clinics are being downsized, requiring great needs for ambulance services as the first line of care providers and transportation from remote areas; and

WHEREAS, Medicaid (TennCare) reimbursement has not increased since the inception of the TN Medicaid managed care system; and

WHEREAS, Medicare rates do not reflect the actual cost to operate ambulance services and TennCare rates are, in most cases, half of what Medicare provides, forcing limitations of services and placing a greater burden on local agencies and citizens; and

WHEREAS, ambulance services throughout the State, in order to meet growing emergency needs and reduce the burden on the local governments and taxpayers, need assistance in improving funding for these lifesaving services.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of Henry County, Tennessee, assembled in regular session on this 21st day of January, 2020, that this body does hereby ask that we show our support for legislation which directs TennCare to reimburse ground ambulance providers at a rate not less than the current Medicare fee schedule; and

BE IT FURTHER RESOLVED that this body does hereby pray that our State Representatives and Senators be contacted and encouraged to support legislation which directs TennCare to reimburse ground ambulance providers at a rate not less than the current Medicare fee schedule; and

BE IT FURTHER RESOLVED that our delegates also request that the funding for this much needed change be provided within the Governor's FY20/21 budget; and

BE IT FURTHER RESOLVED that though this increased funding does not cover the full cost of services, it will begin an effort to aid our communities as demand continues to increase for EMS system resource across the state including the costs of maintaining staff, equipment, and training for pre-hospital emergency medical services, and filling the gap of the reduction in hospitals throughout Tennessee that is rendering EMS systems as the first line of care for many counties.

BE IT FURTHER RESOLVED that the county clerk shall send copies of this resolution to the members of the General Assembly representing Henry County.

BE IT FINALLY RESOLVED that a true copy of this Resolution be spread upon the Commission record of this date.
